ACTH SYNDROME, ECTOPIC
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
ACTIVITIES OF DAILY LIVING
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375
use of hospital services, religious attendance, and religious affiliation (Koenig & Larson), 925
ACUPUNCTURE
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
ACYCLOVIR
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
in utero varicella-zoster infections (Derrick & Lord), 1064
ADAPTATION, PSYCHOLOGICAL
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
ADDISON'S DISEASE
prompt differentiation of Addison's disease from anorexia nervosa during weight loss and vomiting (Adams, et al), 208
ADENOCARCINOMA
correlation between endometrial cells on Papanicolaou smear and endometrial carcinoma (Kerpsack, et al), 749
perforated cecal adenocarcinoma manifested as thigh abscess (letter) (Marinella), 411
primary colon cancer without gross mucosal tumor: unusual presentation of a common malignancy (Wimmer, et al), 1173
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
Streptococcus sanguis bacteremia and colorectal cancer (Macaluso, et al), 206
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
ADENOCARCINOMA, MUCINOUS
carcinoma of the colon: an unusual cause of prolonged fever (Zahid, et al), 462
ADENOCARCINOMA, SEBACEOUS CELL
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
ADENOMA
functioning parathyroid cyst (Safran), 978
management of primary hyperparathyroidism in children (Bornemann), 475
ADENOSINE TRIPHOSPHATE
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
ADHESIONS
efficacy of a novel synthetic material to close exposed fascial defects (Aliabadi-Wahle, et al), 733
ADNEXITIS
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
ADOLESCENT BEHAVIOR
gambling behavior of adolescents in residential placement in Northwest Louisiana (Westphal, et al), 1038
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
ADRENAL CORTEX HORMONES
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
chronic medications in the perioperative period (Kroenke, et al), 358
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
prompt differentiation of Addison's disease from anorexia nervosa during weight loss and vomiting (Adams, et al), 208
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349
tuberculosis of the pleura (Morehead), 630
ADRENAL GLAND DISEASES
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
ADRENAL GLAND NEOPLASMS
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
ADRENAL HYPERPLASIA, CONGENITAL
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
ADRENERGIC BETA-AGONISTS
challenges in obesity management (Poston, et al), 710
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
ADRENERGIC BETA-ANTAGONISTS
anesthetic implications of tetanus (Tobias), 384
delirium tremens (Erwin, et al), 425
ADRENOLEUKODYSTROPHY
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
AFFIRMATIVE ACTION
impact of minority physicians on health care (Thurmond & Kirch), 1009
AGAMMAGLOBULINEMIA
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
AGE FACTORS
characteristics of West Virginians having myocardial infarction (Bell, et al), 1042
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
prostate-specific antigen values and their clinical significance in renal transplant recipients (Ha, et al), 847
AGED
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851

diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
geriatric acute perforated appendicitis: atypical symptoms lead to a difficult diagnosis (Majeski & Durst), 669
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
intravascular malignant lymphomatosis with neurologic presentation: factors facilitating antemortem diagnosis (Devlin, et al), 672
massive gastrointestinal bleeding from Meckel's diverticulum in a 91-year-old man (Lichtstein & Herskowitz), 753
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
risk factors for hip fracture among southern older women (Turner, et al), 533
simvastatin-induced lupus erythematosus (Khosla, et al), 873
some insouciant reflections on approaching age 75 (ed.) (Moser), 692
splenic artery tortuosity simulating a splenic artery aneurysm (Majeski), 949
use of hospital services, religious attendance, and religious affiliation (Koenig & Larson), 925

AGRANULOCYTOSIS
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838

AIDS-RELATED OPPORTUNISTIC INFECTIONS
atypical *Pneumocystis carinii* infection in AIDS: massive cervical lymphadenitis and fever of unknown origin (Kallen & Wallace), 759
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
tuberculosis of the pleura (Morehead), 630

AIR POLLUTANTS, ENVIRONMENTAL
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338

AIRWAY OBSTRUCTION
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046

ALABAMA
Alabama Museum of the Health Sciences and Reynolds Historical Library, Birmingham, Alabama, 787
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
Eichold-Heustis Medical Museum of the South, Mobile, Alabama, 686
illicit alcohol (moonshine) consumption in West Alabama revisited (Ellis & Lacy), 858
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726

ALBUTEROL
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919

ALCOHOL DRINKING
alcohol on campus: alcohol-related emergencies in undergraduate college students (Wright, et al), 909
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
gambling behavior of adolescents in residential placement in Northwest Louisiana (Westphal, et al), 1038
illicit alcohol (moonshine) consumption in West Alabama revisited (Ellis & Lacy), 858
risk factors for hip fracture among southern older women (Turner, et al), 533

ALCOHOL WITHDRAWAL DELIRIUM
delirium tremens (Erwin, et al), 425
illicit alcohol (moonshine) consumption in West Alabama revisited (Ellis & Lacy), 858

ALCOHOLIC INTOXICATION
alcohol on campus: alcohol-related emergencies in undergraduate college students (Wright, et al), 909

ALCOHOLISM
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
delirium tremens (Erwin, et al), 425
disability law: problems and proposals (Lande), 518
illicit alcohol (moonshine) consumption in West Alabama revisited (Ellis & Lacy), 858
prevalence of folate deficiency and macrocytosis in patients with and without alcohol-related illness (Fernando & Grimsley), 721
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957
the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345

ALENDRONATE
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090

ALFENTANIL
patient-controlled anesthesia for colonoscopy using propofol: results of a pilot study (Heiman, et al), 560

ALPHA 1-ANTITRYPSIN
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220

ALPHA-THALASSEMIA
anemia and red cell distribution width at the 12-month well-baby examination (Choi & Reid), 372
ALTERNATIVE MEDICINE
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
ALTITUDE
the shadow rule: a simple method for sun protection (Downham), 619
AMERICANS WITH DISABILITIES ACT
disability law: problems and proposals (Lande), 518
AMINOCAPROIC ACID
severe hemorrhage complicating the Klippel-Trènaunay-Weber syndrome (Aronoff & Roshon), 1073
AMINOGLUTETHIMIDE
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
AMINOTRANSFERASES
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
AMNIOCENTESIS
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
AMNIOTIC FLUID
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
AMOXICILLIN
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
AMPHOTERICIN B
blastomycosis as an etiology of acute lung injury (Thompson, et al), 861
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
AMPICILLIN
hemoptysis as the sole presentation of *Pasteurella multocida* infection (Sazon, et al), 484
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
streptococcal bacteremia and colorectal cancer (letter) (Marinella), 697
AMPUTATION
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
AMYLOID PROTEIN AA
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
AMYLOIDOSIS
nodular amyloidosis of the lung from intravenous drug abuse: an uncommon cause of multiple pulmonary nodules (Shah, et al), 402
ANABOLIC STEROIDS
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
ANALGESIA, PATIENT-CONTROLLED
patient-controlled anesthesia for colonoscopy using propofol: results of a pilot study (Heiman, et al), 560
ANAPHYLAXIS
hypersensitivity reaction to azathioprine (Fields, et al), 471
ANCA. see ANTIBODIES, ANTINEUTROPHIL CYTOPLASMIC
ANDROGEN ANTAGONISTS
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
ANECDOTES
breaking the silence of factitious disorder (ed.) (Feldman), 41
ANEMIA
CD5 negative diffuse mantle cell lymphoma with splenomegaly and bone marrow involvement (Bell, et al), 584
ANEMIA, APLASTIC
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156
ANEMIA, HEMOLYTIC
absence of seasonal variation on the frequency of HELLP syndrome (Magann, et al), 731
exercise-induced fragmentation hemolysis: a simple in vivo test to evaluate heart valve hemolysis (Kampe, et al), 970
ANEMIA, HEMOLYTIC, AUTOIMMUNE
intravascular malignant lymphomatosis with neurologic presentation: factors facilitating antemortem diagnosis (Devlin, et al), 672
ANEMIA, HYPOCHROMIC
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
ANEMIA, IRON-DEFICIENCY
anemia and red cell distribution width at the 12-month well-baby examination (Choi & Reid), 372
colonic strictures induced by nonsteroidal anti-inflammatory drugs (Ribeiro, et al), 568
primary colon cancer without gross mucosal tumor: unusual presentation of a common malignancy (Wimmer, et al), 1173
ANEMIA, MACROCYTIC
prevalence of folate deficiency and macrocytosis in patients with and without alcohol-related illness (Fernando & Grimsley), 721
ANEMIA, SICKLE CELL
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
ANESTHESIA, INTRATRACHEAL
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
ANESTHESIA, INTRAVENOUS
patient-controlled anesthesia for colonoscopy using propofol: results of a pilot study (Heiman, et al), 560
ANESTHESIA, SPINAL
anesthetic implications of tetanus (Tobias), 384
ANESTHESIOLOGY
chronic medications in the perioperative period (Kroenke, et al), 358
ANESTHETICS
fire in the operating room during tracheostomy (Thompson, et al), 243

ANESTHETICS, INTRAVENOUS
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
ANESTHETICS, LOCAL
anesthetic implications of tetanus (Tobias), 384
ANEURYSM
splenic artery tortuosity simulating a splenic artery aneurysm (Majeski), 949
ulnar nerve entrapment at the wrist: cases from a hand surgery practice (Netscher & Cohen), 451
ANGINA, UNSTABLE
low–molecular-weight heparins in clinical practice (Hunt), 2
ANGIOGRAPHY
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
splenic artery tortuosity simulating a splenic artery aneurysm (Majeski), 949
ANGIONEUROTIC EDEMA
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060
ANGIOPLASTY
low–molecular-weight heparins in clinical practice (Hunt), 2
ANGIOTENSIN-CONVERTING ENZYME INHIBITORS
angiotensin II receptor antagonists: what future? (ed.) (Onuigbo), 794
chronic medications in the perioperative period (Kroenke, et al), 358
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060
ANGIOTENSIN II
angiotensin II receptor antagonists: what future? (ed.) (Onuigbo), 794
ANOREXIA NERVOSA
prompt differentiation of Addison's disease from anorexia nervosa during weight loss and vomiting (Adams, et al), 208
ANOXEMIA
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
ANTI-INFLAMMATORY AGENTS, NON-STEROIDAL
colonic strictures induced by nonsteroidal anti-inflammatory drugs (Ribeiro, et al), 568
diaphragm-like strictures of the ileum associated with NSAID use: a rare complication (Abrahamian, et al), 395
ANTIBIOTIC PROPHYLAXIS
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
ANTIBIOTICS
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
fatal and near-fatal complications of liposuction (Barillo, et al), 487
hidradenitis suppurativa (Brown, et al), 1107
perforated cecal adenocarcinoma manifested as thigh abscess (letter) (Marinella), 411
ANTIBODIES, ANTICARDIOLIPIN
coexistence of primary antiphospholipid syndrome and protein S deficiency in a Hispanic man with ischemic stroke (Reyes-Iglesias, et al), 296
ANTIBODIES, ANTINEUTROPHIL CYTOPLASMIC
laryngeal manifestations of vasculitic disease (Astor, et al), 588
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381
ANTIBODIES, ANTINUCLEAR
simvastatin-induced lupus erythematosus (Khosla, et al), 873
ANTIBODIES, BACTERIAL
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
ANTIBODIES, VIRAL
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159
rubella serology in mentally retarded adults (Olsen, et al), 842
ANTICHOLESTEREMIC AGENTS
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
ANTICOAGULANTS
chronic medications in the perioperative period (Kroenke, et al), 358
ANTICONVULSANTS
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
ANTIDEPRESSIVE AGENTS, TRICYCLIC
chronic medications in the perioperative period (Kroenke, et al), 358
ANTIGENS, CD5
CD5 negative diffuse mantle cell lymphoma with splenomegaly and bone marrow involvement (Bell, et al), 584
ANTINEOPLASTIC AGENTS, HORMONAL
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
ANTIPHOSPHOLIPID SYNDROME
coexistence of primary antiphospholipid syndrome and protein S deficiency in a Hispanic man with ischemic stroke (Reyes-Iglesias, et al), 296
ANTIPLATYHELMINTHIC AGENTS
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
ANTISTREPTOLYSIN
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
ANTITHROMBIN III
severe hemorrhage complicating the Klippel-Trènaunay-Weber syndrome (Aronoff & Roshon), 1073
ANXIETY
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
ANXIETY DISORDERS
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
AORTIC VALVE INSUFFICIENCY
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202

APGAR SCORE
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
APPENDECTOMY
geriatric acute perforated appendicitis: atypical symptoms lead to a difficult diagnosis (Majeski & Durst), 669
transient golden appendicolith (Palmer & Shortsleeve), 665
APPENDICITIS
geriatric acute perforated appendicitis: atypical symptoms lead to a difficult diagnosis (Majeski & Durst), 669
APPENDIX
transient golden appendicolith (Palmer & Shortsleeve), 665
ARACHNOIDITIS
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
ARCHIVES
Scott & White Archives and Log Cabin Museum, Temple, Texas, 595
ARDEPARIN
low–molecular-weight heparins in clinical practice (Hunt), 2
ARGON-PUMPED TUNABLE DYE LASER. see LASERS
ARRHYTHMIA
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
ARTERIOVENOUS FISTULA
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
ARTHRALGIA
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
ARTHRITIS, PSORIATIC
hypersensitivity reaction to azathioprine (Fields, et al), 471
ARTHRITIS, RHEUMATOID
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
ARTHROPLASTY, REPLACEMENT
low–molecular-weight heparins in clinical practice (Hunt), 2
ASPIRIN
chronic medications in the perioperative period (Kroenke, et al), 358
middle cerebral artery vasculitis and stroke after varicella in a young adult (Hosseinipour, et al), 1070
ASTHMA
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
ASTHMA, EXERCISE-INDUCED
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
ATELECTASIS
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
ATHEROSCLEROSIS
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
ATLANTO-OCCIPITAL JOINT
synthetic braids and limited neck extension (letter) (Tomlin & Williams), 1183
ATRIAL FIBRILLATION
chronic medications in the perioperative period (Kroenke, et al), 358
ATROPINE
anesthetic implications of tetanus (Tobias), 384
ATTITUDE OF HEALTH PERSONNEL
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
first do no harm (ed.) (Tanner), 215
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
medical manners: medical students' perceptions of their own (Merrill, et al), 256
ATTITUDE OF HEALTH PROFESSIONALS
medical care of prisoners: controversial or not? (letter) (Keung & Lau), 991
ATTITUDE TO DEATH
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
some insouciant reflections on approaching age 75 (ed.) (Moser), 692
ATTITUDE TO HEALTH
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
patient participation in colon cancer screening programs (DiPalma, et al), 342
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375
some insouciant reflections on approaching age 75 (ed.) (Moser), 692
AUTOANTIBODIES
prompt differentiation of Addison's disease from anorexia nervosa during weight loss and vomiting (Adams, et al), 208
AUTOPSY
medical examiner cases associated with previously undiagnosed diabetes mellitus, North Carolina, 1994 (Bell, et al), 151
AZATHIOPRINE
hypersensitivity reaction to azathioprine (Fields, et al), 471
AZITHROMYCIN
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124

B

BACK PAIN
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
BACTEREMIA
catheter-related bacteremia due to *Mycobacterium smegmatis* (Skiest & Levi), 36
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
streptococcal bacteremia and colorectal cancer (letter) (Marinella), 697
Streptococcus sanguis bacteremia and colorectal cancer (Macaluso, et al), 206
BACTERIAL INFECTIONS
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
hidradenitis suppurativa (Brown, et al), 1107
BACTERIAL TOXINS
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
BALLER-GEROLD SYNDROME
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
BASIC LIFE SUPPORT. see CARDIOPULMONARY RESUSCITATION
BEAUFORT HISTORIC SITE
Apothecary Shop and Doctor's Office, Old Beaufort-by-the-Sea, North Carolina, 884
BEHAVIOR THERAPY
challenges in obesity management (Poston, et al), 710
BEHAVIORAL RISK FACTOR SURVEILLANCE SYSTEM
sociodemographic characteristics and individual health behaviors (Shi), 933
BENZODIAZEPINES
anesthetic implications of tetanus (Tobias), 384
delirium tremens (Erwin, et al), 425
BETA-ENDORPHIN
challenges in obesity management (Poston, et al), 710
BETA RAYS
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
BETAMETHASONE
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
BICYCLING
profile of pediatric bicycle injuries (Puranik, et al), 1033
BIG RED. see CARBONATED BEVERAGES
BIOCOMPATIBLE MATERIALS
efficacy of a novel synthetic material to close exposed fascial defects (Aliabadi-Wahle, et al), 733
BIOLOGICAL AVAILABILITY
low–molecular-weight heparins in clinical practice (Hunt), 2
BIOLOGICAL MARKERS
tuberculosis of the pleura (Morehead), 630
BIOPSY
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
tuberculosis of the pleura (Morehead), 630
BIOPSY, NEEDLE
imaging-guided core biopsies in the breast (Soo), 994
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
solid and papillary epithelial neoplasm of the pancreas, diagnosis by cytology (Crawford), 973
BIREFRINGENCE
nodular amyloidosis of the lung from intravenous drug abuse: an uncommon cause of multiple pulmonary nodules (Shah, et al), 402
BIRTH WEIGHT
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
BISEXUALITY
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
BISHOP SCORE
Bishop score: a poor diagnostic test to predict failed induction versus vaginal delivery (Hendrix, et al), 248
BLACKS
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
impact of minority physicians on health care (Thurmond & Kirch), 1009
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375
BLADDER CALCULI
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
BLADDER DISEASES
incidental discovery of emphysematous cystitis (Wortmann & Fleckenstein), 785
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
BLASTOMYCOSIS
blastomycosis as an etiology of acute lung injury (Thompson, et al), 861
neck mass resulting from local extension of pulmonary blastomycosis (Hoskere, et al), 946
BLOOD COAGULATION DISORDERS
effectiveness of conjugated estrogen in orthotopic liver transplantation (Frenette, et al), 365
severe hemorrhage complicating the Klippel-Trènaunay-Weber syndrome (Aronoff & Roshon), 1073
BLOOD GLUCOSE
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
BLOOD LOSS, SURGICAL
chronic medications in the perioperative period (Kroenke, et al), 358
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
BLOOD PRESERVATION
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
BLOOD TRANSFUSION
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156

effectiveness of conjugated estrogen in orthotopic liver transplantation (Frenette, et al), 365
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
exercise-induced fragmentation hemolysis: a simple in vivo test to evaluate heart valve hemolysis (Kampe, et al), 970
massive gastrointestinal bleeding from Meckel's diverticulum in a 91-year-old man (Lichtstein & Herskowitz), 753
severe hemorrhage complicating the Klippel-Trènaunay-Weber syndrome (Aronoff & Roshon), 1073
BLOOD VISCOSITY
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
low anion gap (Jurado, et al), 624
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
BODY HEIGHT
the shadow rule: a simple method for sun protection (Downham), 619
BODY MASS INDEX
challenges in obesity management (Poston, et al), 710
risk factors for hip fracture among southern older women (Turner, et al), 533
BODY TEMPERATURE
unreliability of the infrared tympanic thermometer in clinical practice: a comparative study with oral mercury and oral electronic thermometers (Modell, et al), 649
BODY WEIGHT
risk factors for hip fracture among southern older women (Turner, et al), 533
BONE AND BONES
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
BONE DENSITY
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33
risk factors for hip fracture among southern older women (Turner, et al), 533
BONE DISEASES, METABOLIC
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
BONE MARROW NEOPLASMS
CD5 negative diffuse mantle cell lymphoma with splenomegaly and bone marrow involvement (Bell, et al), 584
BONE MARROW TRANSPLANTATION
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
BONE NEOPLASMS
catheter-related bacteremia due to *Mycobacterium smegmatis* (Skiest & Levi), 36
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
BONE REMODELING
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
BONE RESORPTION
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
BONE TRANSPLANTATION
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
BORDERLINE PERSONALITY DISORDER
comorbidity of schizophreniform disorder and borderline personality disorder in an 18-year-old black woman (Houry, et al), 275
BRADYCARDIA
intermittent fever and pancytopenia (letter) (Marinella), 603
intermittent fever and pancytopenia (letter, reply) (Schussler), 603
BRAIN DISEASES
leg weakness in neurosarcoidosis (Bassam, et al), 870
BRAIN NEOPLASMS
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
solitary choroid plexus metastasis from a renal cell carcinoma (Raila, et al), 1159
BREAST CANCER DETECTION DEMONSTRATION PROJECT
benefits of screening mammography: a review for the primary care physician (Reichle), 510
BREAST DISEASES
benign fat necrosis simulating bilateral breast malignancy after reduction mammoplasty (Miller, et al), 765
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
BREAST NEOPLASMS
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
benefits of screening mammography: a review for the primary care physician (Reichle), 510
benign fat necrosis simulating bilateral breast malignancy after reduction mammoplasty (Miller, et al), 765
does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
imaging-guided core biopsies in the breast (Soo), 994
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
BREECH PRESENTATION
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
BROMIDES
low anion gap (Jurado, et al), 624

BRONCHIAL PROVOCATION TESTS
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338
BRONCHIOLITIS
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
BRONCHITIS
intestinal strongyloidiasis manifesting as eosinophilic pleural effusion (Goyal), 768
BRONCHOALVEOLAR LAVAGE
hemoptysis as the sole presentation of *Pasteurella multocida* infection (Sazon, et al), 484
BRONCHODILATOR AGENTS
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
BRONCHOSCOPY
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
BRUCELLOSIS
intermittent fever and pancytopenia (letter) (Marinella), 603
intermittent fever and pancytopenia (letter, reply) (Schussler), 603
BRUNNER'S GLAND
Brunner's gland hamartoma causing gastric outlet obstructive symptoms (Lingawi & Filipenko), 964
BURNS
fire in the operating room during tracheostomy (Thompson, et al), 243

C

C-PEPTIDE
insulinoma masquerading as factitious hypoglycemia (Baddley, et al), 1066
C-REACTIVE PROTEIN
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
CA-125 ANTIGEN
serous psammocarcinoma of the ovary (Powell, et al), 477
CAFFEINE
challenges in obesity management (Poston, et al), 710
CALCINOSIS
calcification in untreated non-Hodgkin's mediastinal lymphoma (Apter, et al), 212
imaging-guided core biopsies in the breast (Soo), 994
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
splenic artery tortuosity simulating a splenic artery aneurysm (Majeski), 949
symptomatic pulmonary hyalinizing granuloma (Ramirez, et al), 867
CALCITONIN
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33
CALCIUM CARBONATE
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33
CALCIUM, DIETARY
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
risk factors for hip fracture among southern older women (Turner, et al), 533
CANADIAN NATIONAL BREAST SCREENING STUDY
benefits of screening mammography: a review for the primary care physician (Reichle), 510
CANDIDIASIS
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
CANDIDIASIS, VULVOVAGINAL
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
CAPSAICIN
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
CAPTOPRIL
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060
CARBAMAZEPINE
delirium tremens (Erwin, et al), 425
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
CARBONATED BEVERAGES
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
CARBOXYLIC ESTER HYDROLASES
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
utility of dipstick urinalysis as a guide to management of adults with suspected infection or hematuria (Jou & Powers), 266
CARCINOID TUMOR
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
CARCINOMA
meningeal carcinomatosis and syndrome of inappropriate antidiuretic hormone in a patient with metastatic carcinoma of the stomach (Mouallem, et al), 1076
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
CARCINOMA, BASAL CELL
giant skin cancers (letter) (Randle, et al), 603
massive periorbital lymphedema after excision of cutaneous malignancy (letter) (Lober & Haas), 411
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
CARCINOMA, BRONCHOGENIC
unilateral absent pulmonary perfusion due to bronchogenic carcinoma (Gandhi & Shapiro), 392
CARCINOMA, HEPATOCELLULAR
acute tumor lysis syndrome after transcatheter chemoembolization of hepatocellular carcinoma (Burney), 466
CARCINOMA IN SITU
benefits of screening mammography: a review for the primary care physician (Reichle), 510

does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
CARCINOMA, INFILTRATING DUCT
benefits of screening mammography: a review for the primary care physician (Reichle), 510
does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
imaging-guided core biopsies in the breast (Soo), 994
CARCINOMA, ISLET CELL
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
CARCINOMA, MERKEL CELL
successful treatment of in-transit metastases from Merkel's cell carcinoma with isolated hyperthermic limb perfusion (Gupta, et al), 289
CARCINOMA, PAPILLARY
solid and papillary epithelial neoplasm of the pancreas, diagnosis by cytology (Crawford), 973
CARCINOMA, RENAL CELL
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
renal inflammatory pseudotumor (Bell, et al), 1050
solitary choroid plexus metastasis from a renal cell carcinoma (Raila, et al), 1159
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
CARCINOMA, SMALL CELL
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
CARCINOMA, SQUAMOUS CELL
giant skin cancers (letter) (Randle, et al), 603
hidradenitis suppurativa (Brown, et al), 1107
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
CARCINOMATOSIS. see CARCINOMA
CARDIAC OUTPUT
abdominal compartment syndrome (Watson & Howdieshell), 326
exercise-induced fragmentation hemolysis: a simple in vivo test to evaluate heart valve hemolysis (Kampe, et al), 970
CARDIOPULMONARY RESUSCITATION
preparedness of practicing pediatricians in Louisiana to manage emergencies (Shetty, et al), 745
CARDIOVASCULAR DISEASES
anesthetic implications of tetanus (Tobias), 384
angiotensin II receptor antagonists: what future? (ed.) (Onuigbo), 794
low–molecular-weight heparins in clinical practice (Hunt), 2
CAREER CHOICE
impact of minority physicians on health care (Thurmond & Kirch), 1009
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
medical manners: medical students' perceptions of their own (Merrill, et al), 256
CARISOPRODOL
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726
CAROTID ARTERY
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
CARPAL TUNNEL SYNDROME
ulnar nerve entrapment at the wrist: cases from a hand surgery practice (Netscher & Cohen), 451
CATAMENIAL. see MENSTRUATION
CATARACT
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
CATHETERIZATION, CENTRAL VENOUS
catheter-related bacteremia due to *Mycobacterium smegmatis* (Skiest & Levi), 36
electrocardiographic changes with right-sided pneumothorax (Alikhan & Biddison), 677
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
CATHODE RAYS. see BETA RAYS
CATIONS
low anion gap (Jurado, et al), 624
CAUDA EQUINA
leg weakness in neurosarcoidosis (Bassam, et al), 870
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
CAUDA EQUINA SYNDROME
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
CAUSE OF DEATH
blastomycosis as an etiology of acute lung injury (Thompson, et al), 861
child fatality review in Georgia: a young system demonstrates its potential for identifying preventable childhood deaths (Luallen, et al), 414
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156
maternal mortality associated with adult respiratory distress syndrome (letter, reply) (Perry, et al), 1183
maternal mortality associated with adult respiratory distress syndrome (Perry, et al), 441
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726
CAVERNOUS SINUS
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
CD4 LYMPHOCYTE COUNT
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
CECAL NEOPLASMS
carcinoma of the colon: an unusual cause of prolonged fever (Zahid, et al), 462
streptococcal bacteremia and colorectal cancer (letter) (Marinella), 697

CEFAZOLIN
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
CEFIXIME
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
CEFOTAXIME
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
CEFTRIAXONE
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
CEFUROXIME
meningococcal cellulitis and sialadenitis (Gelfand, et al), 287
CELL TRANSFORMATION, NEOPLASTIC
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
hidradenitis suppurativa (Brown, et al), 1107
CELLULITIS
meningococcal cellulitis and sialadenitis (Gelfand, et al), 287
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349
CELLULOSE, OXIDIZED
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
CENTRAL NERVOUS SYSTEM DISEASES
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
CEREBRAL ANGIOGRAPHY
middle cerebral artery vasculitis and stroke after varicella in a young adult (Hosseinipour, et al), 1070
CEREBRAL ARTERY DISEASES
coexistence of primary antiphospholipid syndrome and protein S deficiency in a Hispanic man with ischemic stroke (Reyes-Iglesias, et al), 296
middle cerebral artery vasculitis and stroke after varicella in a young adult (Hosseinipour, et al), 1070
CEREBRAL HEMORRHAGE
solitary choroid plexus metastasis from a renal cell carcinoma (Raila, et al), 1159
CEREBRAL INFARCTION
coexistence of primary antiphospholipid syndrome and protein S deficiency in a Hispanic man with ischemic stroke (Reyes-Iglesias, et al), 296
CEREBRAL PALSY
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
CEREBROSPINAL FLUID
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
CEREBROVASCULAR DISORDERS
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
low–molecular-weight heparins in clinical practice (Hunt), 2
middle cerebral artery vasculitis and stroke after varicella in a young adult (Hosseinipour, et al), 1070
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
CERTIFICATION
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
CERTROPARIN
low–molecular-weight heparins in clinical practice (Hunt), 2
CERVIX NEOPLASMS
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
CERVIX UTERI
Bishop score: a poor diagnostic test to predict failed induction versus vaginal delivery (Hendrix, et al), 248
CESAREAN SECTION
Bishop score: a poor diagnostic test to predict failed induction versus vaginal delivery (Hendrix, et al), 248
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
obstructive sleep apnea during pregnancy resulting in pulmonary hypertension (Lewis, et al), 761
CHEMOEMBOLIZATION, THERAPEUTIC
acute tumor lysis syndrome after transcatheter chemoembolization of hepatocellular carcinoma (Burney), 466
CHEMOTHERAPY, ADJUVANT
prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
CHEMOTHERAPY, HIGH-DOSE
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
CHEST PAIN
geriatric acute perforated appendicitis: atypical symptoms lead to a difficult diagnosis (Majeski & Durst), 669
pulmonary embolism and malpractice claims (Fink, et al), 1149
symptomatic pulmonary hyalinizing granuloma (Ramirez, et al), 867
CH'I
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
CHICKENPOX
invasive disease due to group A β-hemolytic streptococci: continued occurrence in children in North Carolina (Givner), 333
middle cerebral artery vasculitis and stroke after varicella in a young adult (Hosseinipour, et al), 1070
in utero varicella-zoster infections (Derrick & Lord), 1064
CHILD ABUSE
child fatality review in Georgia: a young system demonstrates its potential for identifying preventable childhood deaths (Luallen, et al), 414
CHILD ABUSE, SEXUAL
integrated diagnostic and treatment approach for the

medical patient who has had psychologic trauma (Brende, et al), 318
CHLAMYDIA INFECTIONS
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
CHLORDIAZEPOXIDE
delirium tremens (Erwin, et al), 425
CHLORIDE
low anion gap (Jurado, et al), 624
CHOICE BEHAVIOR
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
CHOLECYSTECTOMY
correlation of gallbladder ejection fraction with pathologic grade for chronic inflammation (Harolds, et al), 147
CHOLECYSTITIS
correlation of gallbladder ejection fraction with pathologic grade for chronic inflammation (Harolds, et al), 147
CHOLECYSTOKININ
challenges in obesity management (Poston, et al), 710
CHOLESTEROL
the level of preventive health care in an internal medicine residency clinic: still only an ounce of prevention? (Keim, et al), 550
CHORIOAMNIONITIS
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
CHORISTOMA
massive gastrointestinal bleeding from Meckel's diverticulum in a 91-year-old man (Lichtstein & Herskowitz), 753
CHOROID PLEXUS NEOPLASMS
solitary choroid plexus metastasis from a renal cell carcinoma (Raila, et al), 1159
CHROMOBACTERIUM
Chromobacterium violaceum infection (Midani & Rathore), 464
CICATRIX
imaging-guided core biopsies in the breast (Soo), 994
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
CIDOFOVIR
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
CIPROFLOXACIN
catheter-related bacteremia due to *Mycobacterium smegmatis* (Skiest & Levi), 36
Chromobacterium violaceum infection (Midani & Rathore), 464
prevalence of methicillin-resistant *Staphylococcus aureus* in a dermatology outpatient population (Price, et al), 369
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
CISPLATIN
acute tumor lysis syndrome after transcatheter chemoembolization of hepatocellular carcinoma (Burney), 466
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
CLADRIBINE
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
CLARITHROMYCIN
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
CLAW SPUR. see SPINAL OSTEOPHYTOSIS
CLENBUTEROL
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
CLINDAMYCIN
atypical *Pneumocystis carinii* infection in AIDS: massive cervical lymphadenitis and fever of unknown origin (Kallen & Wallace), 759
hidradenitis suppurativa (Brown, et al), 1107
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
CLINICAL COMPETENCE
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
formal pathology rotation during obstetrics and gynecology residency: is it beneficial? (McGehee, et al), 231
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
CLINICAL PROTOCOLS
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
CLIVARIN. see REVIPARIN
CLONIDINE
delirium tremens (Erwin, et al), 425
itching to understand the phenomenon of craving in addiction (letter, reply) (Velasco & Lippmann), 217
CLOZAPINE
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838
CLUSTER HEADACHE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
CME ARTICLE OF THE MONTH. see EDUCATION, MEDICAL, CONTINUING
COCAINE
itching to understand the phenomenon of craving in addiction (letter) (Fisher & Adinoff), 217
COCAINE-RELATED DISORDERS
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
COCHRANE COLLABORATION
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
COIN LESION, PULMONARY
nodular amyloidosis of the lung from intravenous drug abuse: an uncommon cause of multiple pulmonary nodules (Shah, et al), 402
COLCHICINE
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060

COLECTOMY
carcinoma of the colon: an unusual cause of prolonged fever (Zahid, et al), 462
colonic strictures induced by nonsteroidal anti-inflammatory drugs (Ribeiro, et al), 568
primary colon cancer without gross mucosal tumor: unusual presentation of a common malignancy (Wimmer, et al), 1173
COLESTIPOL
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
COLONIC DISEASES
colonic strictures induced by nonsteroidal anti-inflammatory drugs (Ribeiro, et al), 568
COLONIC NEOPLASMS
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
carcinoma of the colon: an unusual cause of prolonged fever (Zahid, et al), 462
patient participation in colon cancer screening programs (DiPalma, et al), 342
perforated cecal adenocarcinoma manifested as thigh abscess (letter) (Marinella), 411
perforated cecal adenocarcinoma manifested as thigh abscess (letter, reply) (Scoggins), 411
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
primary colon cancer without gross mucosal tumor: unusual presentation of a common malignancy (Wimmer, et al), 1173
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
COLONIC POLYPS
primary colon cancer without gross mucosal tumor: unusual presentation of a common malignancy (Wimmer, et al), 1173
Streptococcus sanguis bacteremia and colorectal cancer (Macaluso, et al), 206
COLONOSCOPY
colonic strictures induced by nonsteroidal anti-inflammatory drugs (Ribeiro, et al), 568
patient-controlled anesthesia for colonoscopy using propofol: results of a pilot study (Heiman, et al), 560
primary colon cancer without gross mucosal tumor: unusual presentation of a common malignancy (Wimmer, et al), 1173
Streptococcus sanguis bacteremia and colorectal cancer (Macaluso, et al), 206
COLORECTAL NEOPLASMS
streptococcal bacteremia and colorectal cancer (letter) (Marinella), 697
Streptococcus sanguis bacteremia and colorectal cancer (Macaluso, et al), 206
COMMON COLD
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
COMMUNICATION
training physicians to be competent communicators (letter) (Morris), 218
training physicians to be competent communicators (letter, reply) (Parrott), 218
COMMUNITY-ACQUIRED INFECTIONS
prevalence of methicillin-resistant *Staphylococcus aureus* in a dermatology outpatient population (Price, et al), 369
COMMUNITY MENTAL HEALTH SERVICES
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838
COMORBIDITY
comorbidity of schizophreniform disorder and borderline personality disorder in an 18-year-old black woman (Houry, et al), 275
hidradenitis suppurativa (Brown, et al), 1107
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345
COMPARTMENT SYNDROMES
abdominal compartment syndrome (Watson & Howdieshell), 326
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
COMPUTER TERMINALS
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
CONCURRENT STAY REVIEW
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
CONDOMS
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
CONFUSION
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
CONSCIOUS SEDATION
patient-controlled anesthesia for colonoscopy using propofol: results of a pilot study (Heiman, et al), 560
CONSTRICTION, PATHOLOGIC
diaphragm-like strictures of the ileum associated with NSAID use: a rare complication (Abrahamian, et al), 395
CONTRACEPTIVE AGENTS, FEMALE
ulnar neuropathy associated with subdermal contraceptive implant (Marin & McMillan), 875
CONTRACEPTIVES, ORAL
chronic medications in the perioperative period (Kroenke, et al), 358
CONTRACT SERVICES
emergency medicine practice systems in Louisiana (Waldrop, et al), 354
CONTRAST SENSITIVITY
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
CONTUSIONS
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
COPPER BROMIDE LASER. see LASERS
COPPER VAPOR LASER. see LASERS
COPROPORPHYRIA
intravascular malignant lymphomatosis with neurologic presentation: factors facilitating antemortem diagnosis (Devlin, et al), 672
CORONARY ANGIOGRAPHY
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
CORONARY DISEASE
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133

disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
CORONERS AND MEDICAL EXAMINERS
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
CORTICOSTEROIDS. see ADRENAL CORTEX HORMONES
CORTISOL. see HYDROCORTISONE
COST-BENEFIT ANALYSIS
benefits of screening mammography: a review for the primary care physician (Reichle), 510
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
Eagle's syndrome (letter) (Shroeder), 43
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
perplexed after vaginal delivery (letter) (Mathis), 991
perplexed after vaginal delivery (letter, reply) (Mann), 991
prostate cancer: to screen or not to screen? (ed.) (Hamdy, et al), 305
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
some insouciant reflections on approaching age 75 (ed.) (Moser), 692
utility of dipstick urinalysis as a guide to management of adults with suspected infection or hematuria (Jou & Powers), 266
COST CONTROL
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
prevalence of folate deficiency and macrocytosis in patients with and without alcohol-related illness (Fernando & Grimsley), 721
some insouciant reflections on approaching age 75 (ed.) (Moser), 692
COST SAVINGS
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
COSTS AND COST ANALYSIS
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
COUGH
laryngeal manifestations of vasculitic disease (Astor, et al), 588
COXSACKIEVIRUS INFECTIONS
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
CRANIAL NERVES
leg weakness in neurosarcoidosis (Bassam, et al), 870
CRANIOSYNOSTOSIS
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
CRAVING
itching to understand the phenomenon of craving in addiction (letter) (Fisher & Adinoff), 217
itching to understand the phenomenon of craving in addiction (letter, reply) (Velasco & Lippmann), 217
CREATINE
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
CREATINE KINASE
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
CREATININE
prostate-specific antigen values and their clinical significance in renal transplant recipients (Ha, et al), 847
CREST SYNDROME
chronic myelogenous leukemia and porphyria cutanea tarda in a patient with limited systemic sclerosis (Wooten, et al), 493
CRIME
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
CRITICAL PATHWAYS
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
CROHN'S DISEASE
hidradenitis suppurativa (Brown, et al), 1107
CURRICULUM
formal pathology rotation during obstetrics and gynecology residency: is it beneficial? (McGehee, et al), 231
CUSHING'S SYNDROME
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
mediastinal lipomatosis (Nguyén, et al), 1169
CYCLOPHOSPHAMIDE
laryngeal manifestations of vasculitic disease (Astor, et al), 588
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381
CYCLOSPORINE
hypersensitivity reaction to azathioprine (Fields, et al), 471
prostate-specific antigen values and their clinical significance in renal transplant recipients (Ha, et al), 847
CYPROTERONE ACETATE
hidradenitis suppurativa (Brown, et al), 1107
CYSTADENOCARCINOMA, SEROUS
serous psammocarcinoma of the ovary (Powell, et al), 477
CYSTITIS
incidental discovery of emphysematous cystitis (Wortmann & Fleckenstein), 785
CYSTOMETRY
abdominal compartment syndrome (Watson & Howdieshell), 326

CYSTOSCOPY
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
CYSTS
functioning parathyroid cyst (Safran), 978
spontaneous splenic rupture due to isolated splenic peliosis (Celebrezze, et al), 763
CYTARABINE
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
CYTOKINES
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
CYTOMEGALOVIRUS INFECTIONS
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821

D

DALTEPARIN
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
low–molecular-weight heparins in clinical practice (Hunt), 2
DANAPARIOD
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
DANTROLENE
anesthetic implications of tetanus (Tobias), 384
DATA COLLECTION
survey research vs clinical trials in evaluating the medical utility of marijuana (letter) (Doblin & Kleiman), 989
survey research vs clinical trials in evaluating the medical utility of marijuana (letter, reply) (Schwartz), 990
DEATH
epidemiology of hospitalization for near-drowning (Joseph & King), 253
DEATH CERTIFICATES
child fatality review in Georgia: a young system demonstrates its potential for identifying preventable childhood deaths (Luallen, et al), 414
DEATH, SUDDEN
medical examiner cases associated with previously undiagnosed diabetes mellitus, North Carolina, 1994 (Bell, et al), 151
pulmonary embolism and malpractice claims (Fink, et al), 1149
DEBRIDEMENT
anesthetic implications of tetanus (Tobias), 384
fatal and near-fatal complications of liposuction (Barillo, et al), 487
DECISION MAKING
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
pulmonary embolism and malpractice claims (Fink, et al), 1149
traumatic vulvar hematomas: conservative versus surgical management (Propst & Thorp), 144
utility of dipstick urinalysis as a guide to management of adults with suspected infection or hematuria (Jou & Powers), 266
DECOMPRESSION, SURGICAL
abdominal compartment syndrome (Watson & Howdieshell), 326
DEEP VEIN THROMBOSIS. see THROMBOPHLEBITIS
DEGLUTITION DISORDERS
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
DEHYDROERGATOMINE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
DELIRIUM TREMENS. see ALCOHOL WITHDRAWAL
DELIRIUM
DELIVERY
Bishop score: a poor diagnostic test to predict failed induction versus vaginal delivery (Hendrix, et al), 248
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
perplexed after vaginal delivery (letter) (Mathis), 991
DELIVERY OF HEALTH CARE
impact of minority physicians on health care (Thurmond & Kirch), 1009
DELUSIONS
comorbidity of schizophreniform disorder and borderline personality disorder in an 18-year-old black woman (Houry, et al), 275
DENSITOMETRY, X-RAY
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33
DENTAL INLAY. see INLAYS
DENTAL PROPHYLAXIS
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
DEPRESSION
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
DEPRESSIVE DISORDER
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
DERMATOMYCOSES
neck mass resulting from local extension of pulmonary blastomycosis (Hoskere, et al), 946
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349

DERMATOMYOSITIS
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
DESENSITIZATION, IMMUNOLOGIC
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
DEVELOPING COUNTRIES
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
DEXAMETHASONE
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
prompt differentiation of Addison's disease from anorexia nervosa during weight loss and vomiting (Adams, et al), 208
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
DEXFENFLURAMINE
challenges in obesity management (Poston, et al), 710
DIABETES INSIPIDUS, NEPHROGENIC
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
DIABETES MELLITUS
characteristics of West Virginians having myocardial infarction (Bell, et al), 1042
chronic medications in the perioperative period (Kroenke, et al), 358
medical examiner cases associated with previously undiagnosed diabetes mellitus, North Carolina, 1994 (Bell, et al), 151
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
DIABETES MELLITUS, INSULIN-DEPENDENT
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
incidental discovery of emphysematous cystitis (Wortmann & Fleckenstein), 785
DIABETES MELLITUS, NON–INSULIN-DEPENDENT
insulin resistance syndrome (letter) (Cheng), 697
insulin resistance syndrome (letter, reply) (Opara), 697
DIABETIC FOOT
pathophysiology and treatment of painful diabetic neuropathy of the lower extremity (Wunderlich, et al), 894
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
DIABETIC KETOACIDOSIS
medical examiner cases associated with previously undiagnosed diabetes mellitus, North Carolina, 1994 (Bell, et al), 151
DIABETIC NEUROPATHIES
pathophysiology and treatment of painful diabetic neuropathy of the lower extremity (Wunderlich, et al), 894
DIAGNOSIS, DIFFERENTIAL
abdominal compartment syndrome (Watson & Howdieshell), 326
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
benign fat necrosis simulating bilateral breast malignancy after reduction mammoplasty (Miller, et al), 765
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
blastomycosis as an etiology of acute lung injury (Thompson, et al), 861
Brunner's gland hamartoma causing gastric outlet obstructive symptoms (Lingawi & Filipenko), 964
carcinoma of the colon: an unusual cause of prolonged fever (Zahid, et al), 462
CD5 negative diffuse mantle cell lymphoma with splenomegaly and bone marrow involvement (Bell, et al), 584
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
colonic strictures induced by nonsteroidal anti-inflammatory drugs (Ribeiro, et al), 568
comorbidity of schizophreniform disorder and borderline personality disorder in an 18-year-old black woman (Houry, et al), 275
continuous non-seasonal epidemic of respiratory syncytial virus infection in the Southeast United States (Halstead & Jenkins), 433
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
diaphragm-like strictures of the ileum associated with NSAID use: a rare complication (Abrahamian, et al), 395
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
electrocardiographic changes with right-sided pneumothorax (Alikhan & Biddison), 677
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
fatal and near-fatal complications of liposuction (Barillo, et al), 487
geriatric acute perforated appendicitis: atypical symptoms lead to a difficult diagnosis (Majeski & Durst), 669
giant sigmoid diverticulum: a rare manifestation of diverticular disease (Kuganeswaran & Fisher), 952
hemoptysis as the sole presentation of *Pasteurella multocida* infection (Sazon, et al), 484
hidradenitis suppurativa (Brown, et al), 1107
hypersensitivity reaction to azathioprine (Fields, et al), 471
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
illicit alcohol (moonshine) consumption in West Alabama revisited (Ellis & Lacy), 858
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
insulinoma masquerading as factitious hypoglycemia (Baddley, et al), 1066
intermittent fever and pancytopenia (letter) (Marinella), 603

intestinal strongyloidiasis manifesting as eosinophilic pleural effusion (Goyal), 768
intravascular malignant lymphomatosis with neurologic presentation: factors facilitating antemortem diagnosis (Devlin, et al), 672
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
leg weakness in neurosarcoidosis (Bassam, et al), 870
localized fibrous nodular mesothelioma of the pelvis (Schutz & Fink), 280
low anion gap (Jurado, et al), 624
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
massive gastrointestinal bleeding from Meckel's diverticulum in a 91-year-old man (Lichtstein & Herskowitz), 753
mediastinal lipomatosis (Nguyén, et al), 1169
meningeal carcinomatosis and syndrome of inappropriate antidiuretic hormone in a patient with metastatic carcinoma of the stomach (Mouallem, et al), 1076
meningococcal cellulitis and sialadenitis (Gelfand, et al), 287
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
neck mass resulting from local extension of pulmonary blastomycosis (Hoskere, et al), 946
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
nodular amyloidosis of the lung from intravenous drug abuse: an uncommon cause of multiple pulmonary nodules (Shah, et al), 402
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
pertussis infection in adults (Wright), 702
prevalence of folate deficiency and macrocytosis in patients with and without alcohol-related illness (Fernando & Grimsley), 721
primary colon cancer without gross mucosal tumor: unusual presentation of a common malignancy (Wimmer, et al), 1173
prompt differentiation of Addison's disease from anorexia nervosa during weight loss and vomiting (Adams, et al), 208
prostate cancer: to screen or not to screen? (ed.) (Hamdy, et al), 305
pulmonary embolus masquerading as pneumonia in a patient with Hodgkin's disease and nephrotic syndrome (Ellis, et al), 283
recurrent catamenial hemopneumothorax (Bhatia, et al), 398
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349
renal inflammatory pseudotumor (Bell, et al), 1050
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060
solid and papillary epithelial neoplasm of the pancreas, diagnosis by cytology (Crawford), 973
solitary choroid plexus metastasis from a renal cell carcinoma (Raila, et al), 1159
splenic artery tortuosity simulating a splenic artery aneurysm (Majeski), 949
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
symptomatic pulmonary hyalinizing granuloma (Ramirez, et al), 867
thoracic splenosis (Buchino & Buchino), 1054
thymoma associated with syndrome of inappropriate antidiuretic hormone secretion and myasthenia gravis (Donadio, et al), 278
ulnar nerve entrapment at the wrist: cases from a hand surgery practice (Netscher & Cohen), 451
unilateral absent pulmonary perfusion due to bronchogenic carcinoma (Gandhi & Shapiro), 392
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381

DIAGNOSIS, LABORATORY
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
pertussis infection in adults (Wright), 702
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124

DIAGNOSIS-RELATED GROUPS
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457

DIAGNOSTIC ERRORS
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349

DIAGNOSTIC IMAGING
benefits of screening mammography: a review for the primary care physician (Reichle), 510

DIAGNOSTIC INTERVIEW SCHEDULE
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27

DIAGNOSTIC TESTS, ROUTINE
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
the level of preventive health care in an internal medicine residency clinic: still only an ounce of prevention? (Keim, et al), 550
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182

DIAPHRAGM-LIKE STRICTURES. see CONSTRICTION, PATHOLOGIC

DIARRHEA
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079

DIARRHEA, INFANTILE
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798

DIAZEPAM
anesthetic implications of tetanus (Tobias), 384
delirium tremens (Erwin, et al), 425
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726

DICLOFENAC
colonic strictures induced by nonsteroidal anti-inflammatory drugs (Ribeiro, et al), 568

DIET
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
sociodemographic characteristics and individual health behaviors (Shi), 933

DIET THERAPY
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
DIETARY SUPPLEMENTS
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
DINITROGEN TETROXIDE
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338
DIPHENHYDRAMINE
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060
DIPSTICKS. see REAGENT STRIPS
DISABILITY EVALUATION
disability law: problems and proposals (Lande), 518
DISABLED CHILDREN
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
DISABLED PERSONS
disability law: problems and proposals (Lande), 518
DISCITIS
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
DISEASE OUTBREAKS
continuous non-seasonal epidemic of respiratory syncytial virus infection in the Southeast United States (Halstead & Jenkins), 433
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
rubella serology in mentally retarded adults (Olsen, et al), 842
DISEASE PROGRESSION
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
successful treatment of in-transit metastases from Merkel's cell carcinoma with isolated hyperthermic limb perfusion (Gupta, et al), 289
DISEASE SUSCEPTIBILITY
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159
prevalence of methicillin-resistant *Staphylococcus aureus* in a dermatology outpatient population (Price, et al), 369
DISEASE TRANSMISSION, VERTICAL
hidradenitis suppurativa (Brown, et al), 1107
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
in utero varicella-zoster infections (Derrick & Lord), 1064
DISSEMINATED INTRAVASCULAR COAGULATION
severe hemorrhage complicating the Klippel-Trènaunay-Weber syndrome (Aronoff & Roshon), 1073
DISSOCIATIVE DISORDERS
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
DIURESIS
obstructive sleep apnea during pregnancy resulting in pulmonary hypertension (Lewis, et al), 761
DIURETICS
chronic medications in the perioperative period (Kroenke, et al), 358
DIVERTICULITIS, COLONIC
giant sigmoid diverticulum: a rare manifestation of diverticular disease (Kuganeswaran & Fisher), 952
DIVERTICULUM
giant sigmoid diverticulum: a rare manifestation of diverticular disease (Kuganeswaran & Fisher), 952
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
primary colon cancer without gross mucosal tumor: unusual presentation of a common malignancy (Wimmer, et al), 1173
DOPING IN SPORTS
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
legal and ethical dilemmas in drug management for team physicians and athletic trainers (St. Mary), 421
DOSE-RESPONSE RELATIONSHIP, DRUG
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
hypersensitivity reaction to azathioprine (Fields, et al), 471
patient-controlled anesthesia for colonoscopy using propofol: results of a pilot study (Heiman, et al), 560
DOXORUBICIN
acute tumor lysis syndrome after transcatheter chemoembolization of hepatocellular carcinoma (Burney), 466
DOXYCYCLINE
catheter-related bacteremia due to *Mycobacterium smegmatis* (Skiest & Levi), 36
recurrent catamenial hemopneumothorax (Bhatia, et al), 398
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
DRAINAGE
Chromobacterium violaceum infection (Midani & Rathore), 464
functioning parathyroid cyst (Safran), 978
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957
tuberculosis of the pleura (Morehead), 630
DRINKING BEHAVIOR
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
DRUG AND NARCOTIC CONTROL
legal and ethical dilemmas in drug management for team physicians and athletic trainers (St. Mary), 421
DRUG APPROVAL
survey research vs clinical trials in evaluating the medical utility of marijuana (letter) (Doblin & Kleiman), 989
DRUG COSTS
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815

DRUG HYPERSENSITIVITY
hypersensitivity reaction to azathioprine (Fields, et al), 471
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
DRUG IMPLANTS
ulnar neuropathy associated with subdermal contraceptive implant (Marin & McMillan), 875
DRUG INDUSTRY
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
DRUG INTERACTIONS
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
DRUG RESISTANCE, MICROBIAL
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
prevalence of methicillin-resistant *Staphylococcus aureus* in a dermatology outpatient population (Price, et al), 369
DRY EYE SYNDROMES
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
DUCTUS ARTERIOSUS, PATENT
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
DUODENAL DISEASES
Brunner's gland hamartoma causing gastric outlet obstructive symptoms (Lingawi & Filipenko), 964
DUODENOSTOMY
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
DYSENTERY, BACILLARY
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
DYSPHAGIA. see DEGLUTITION DISORDERS
DYSPNEA
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
mediastinal lipomatosis (Nguyén, et al), 1169
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099

E

EAGLE'S SYNDROME
Eagle's syndrome (letter) (Shroeder), 43
EAR NEOPLASMS
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
EAST TENNESSEE STATE UNIVERSITY, JAMES H. QUILLEN COLLEGE OF MEDICINE
James H. Quillen College of Medicine, East Tennessee State University (Stanton), 38
ECHOCARDIOGRAPHY
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
unilateral absent pulmonary perfusion due to bronchogenic carcinoma (Gandhi & Shapiro), 392
ECHOCARDIOGRAPHY, TRANSESOPHAGEAL
exercise-induced fragmentation hemolysis: a simple in vivo test to evaluate heart valve hemolysis (Kampe, et al), 970
interventricular septal endocarditis (letter) (Vaghjimal, et al), 43
ECTOPIC TISSUE. see CHORISTOMA
EDEMA

EDUCATION, MEDICAL
impact of minority physicians on health care (Thurmond & Kirch), 1009
James H. Quillen College of Medicine, East Tennessee State University (Stanton), 38
training physicians to be competent communicators (letter) (Morris), 218
training physicians to be competent communicators (letter, reply) (Parrott), 218
EDUCATION, MEDICAL, CONTINUING
benefits of screening mammography: a review for the primary care physician (Reichle), 510
child fatality review in Georgia: a young system demonstrates its potential for identifying preventable childhood deaths (Luallen, et al), 414
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
imaging-guided core biopsies in the breast (Soo), 994
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
low–molecular-weight heparins in clinical practice (Hunt), 2
pathophysiology and treatment of painful diabetic neuropathy of the lower extremity (Wunderlich, et al), 894
pertussis infection in adults (Wright), 702
preparedness of practicing pediatricians in Louisiana to manage emergencies (Shetty, et al), 745
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
EICHOLD-HEUSTIS MEDICAL MUSEUM OF THE SOUTH
Eichold-Heustis Medical Museum of the South, Mobile, Alabama, 686
ELECTROACUPUNCTURE
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115

ELECTROCARDIOGRAPHY
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755
ELECTROCARDIOGRAPHY, AMBULATORY
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
ELECTROCOAGULATION
fire in the operating room during tracheostomy (Thompson, et al), 243
ELECTRODIAGNOSIS
ulnar neuropathy associated with subdermal contraceptive implant (Marin & McMillan), 875
ELECTROLYTES
low anion gap (Jurado, et al), 624
ELECTROPHORESIS
anemia and red cell distribution width at the 12-month well-baby examination (Choi & Reid), 372
ELIGIBILITY DETERMINATION
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
EMERGENCIES
delirium tremens (Erwin, et al), 425
preparedness of practicing pediatricians in Louisiana to manage emergencies (Shetty, et al), 745
EMERGENCY MEDICAL SERVICES
alcohol on campus: alcohol-related emergencies in undergraduate college students (Wright, et al), 909
emergency medicine practice systems in Louisiana (Waldrop, et al), 354
preparedness of practicing pediatricians in Louisiana to manage emergencies (Shetty, et al), 745
profile of pediatric bicycle injuries (Puranik, et al), 1033
utility of dipstick urinalysis as a guide to management of adults with suspected infection or hematuria (Jou & Powers), 266
EMIGRATION AND IMMIGRATION
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
EMPHYSEMA
incidental discovery of emphysematous cystitis (Wortmann & Fleckenstein), 785
EMPLOYEE GRIEVANCES
disability law: problems and proposals (Lande), 518
EMPLOYMENT
recording of occupational information in adult patients (letter) (Barker, et al), 44
EMPLOYMENT, SUPPORTED
disability law: problems and proposals (Lande), 518
EMPYEMA, PLEURAL
tuberculosis of the pleura (Morehead), 630
ENDEMIC DISEASES
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
ENDOCARDITIS, BACTERIAL
interventricular septal endocarditis (letter) (Vaghjimal, et al), 43
perforated cecal adenocarcinoma manifested as thigh abscess (letter) (Marinella), 411
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
ENDOMETRIAL HYPERPLASIA
correlation between endometrial cells on Papanicolaou smear and endometrial carcinoma (Kerpsack, et al), 749
ENDOMETRIAL NEOPLASMS
correlation between endometrial cells on Papanicolaou smear and endometrial carcinoma (Kerpsack, et al), 749
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
ENDOMETRIOSIS
recurrent catamenial hemopneumothorax (Bhatia, et al), 398
ENDOPHTHALMITIS
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
the red eye revisited: ophthalmia nodosa due to tarantula hairs (Belyea, et al), 565
ENDORPHINS
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
ENDOSCOPY
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
ENDOSCOPY, GASTROINTESTINAL
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
ENDOSONOGRAPHY
abdominal apoplexy (Carmeci, et al), 273
ENERGY METABOLISM
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
ENOXAPARIN
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
low–molecular-weight heparins in clinical practice (Hunt), 2
ENTERAL NUTRITION
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
ENTEROCLYSIS
diaphragm-like strictures of the ileum associated with NSAID use: a rare complication (Abrahamian, et al), 395
ENTEROCOLITIS
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
ENVIRONMENTAL EXPOSURE
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338
ENZYME-LINKED IMMUNOSORBENT ASSAY
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
ENZYME TESTS
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
EOSINOPHILIA
intestinal strongyloidiasis manifesting as eosinophilic pleural effusion (Goyal), 768

visceral larva migrans and the hypereosinophilia syndrome (Arango), 882
EPHEDRINE
challenges in obesity management (Poston, et al), 710
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
EPIDEMIOLOGY
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
pertussis infection in adults (Wright), 702
EPILEPSY
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
EPINEPHRINE
preparedness of practicing pediatricians in Louisiana to manage emergencies (Shetty, et al), 745
EPINEUROLYSIS
ulnar neuropathy associated with subdermal contraceptive implant (Marin & McMillan), 875
EQUIPMENT AND SUPPLIES
preparedness of practicing pediatricians in Louisiana to manage emergencies (Shetty, et al), 745
EQUIPMENT FAILURE
unreliability of the infrared tympanic thermometer in clinical practice: a comparative study with oral mercury and oral electronic thermometers (Modell, et al), 649
ERBIUM:YAG LASER. see LASERS
ERGOTAMINE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
ERUCIC ACIDS
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
ERYTHROCYTE INDICES
anemia and red cell distribution width at the 12-month well-baby examination (Choi & Reid), 372
ERYTHROCYTE SEDIMENTATION RATE
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
ERYTHROMYCIN
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
pertussis infection in adults (Wright), 702
T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755
ESCHERICHIA COLI INFECTIONS
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
ESOPHAGEAL ATRESIA
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
ESOPHAGEAL DISEASES
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
ESTROGEN REPLACEMENT THERAPY
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
ESTROGENS, CONJUGATED
effectiveness of conjugated estrogen in orthotopic liver transplantation (Frenette, et al), 365
ETHAMBUTOL
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
ETHANOL
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726
ETHICS, MEDICAL
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
first do no harm (ed.) (Tanner), 215
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
legal and ethical dilemmas in drug management for team physicians and athletic trainers (St. Mary), 421
medical care of prisoners: controversial or not? (letter) (Keung & Lau), 991
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
ETHINYL ESTRADIOL
hidradenitis suppurativa (Brown, et al), 1107
ETOPOSIDE
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
EUTHANASIA
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
EUTHYROID SICK SYNDROMES
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
EVIDENCE-BASED MEDICINE
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
EXERCISE
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375
risk factors for hip fracture among southern older women (Turner, et al), 533
sociodemographic characteristics and individual health behaviors (Shi), 933
EXERCISE TESTS
exercise-induced fragmentation hemolysis: a simple in vivo test to evaluate heart valve hemolysis (Kampe, et al), 970
EXERCISE THERAPY
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
EXTRACELLULAR SPACE
low anion gap (Jurado, et al), 624

EXUDATES AND TRANSUDATES
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
EYE DISEASES
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
EYE ENUCLEATION
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
EYE FOREIGN BODIES
the red eye revisited: ophthalmia nodosa due to tarantula hairs (Belyea, et al), 565
EYELID NEOPLASMS
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
massive periorbital lymphedema after excision of cutaneous malignancy (letter) (Lober & Haas), 411

F

FACE
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060
FACIAL DERMATOSES
meningococcal cellulitis and sialadenitis (Gelfand, et al), 287
FACIAL NEOPLASMS
giant skin cancers (letter) (Randle, et al), 603
giant skin cancers (letter, reply) (Thomas), 603
massive periorbital lymphedema after excision of cutaneous malignancy (letter) (Lober & Haas), 411
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
FACIAL PAIN
Eagle's syndrome (letter) (Shroeder), 43
FACTITIOUS DISORDERS
breaking the silence of factitious disorder (ed.) (Feldman), 41
insulinoma masquerading as factitious hypoglycemia (Baddley, et al), 1066
FACULTY, MEDICAL
impact of managed care on university-based surgical training (ed.) (Harrison), 308
FAILURE TO THRIVE
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
FAMCICLOVIR
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
FAMILY PRACTICE
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
recording of occupational information in adult patients (letter) (Barker, et al), 44
FAMVIR. see FAMCICLOVIR
FASCIA
efficacy of a novel synthetic material to close exposed fascial defects (Aliabadi-Wahle, et al), 733
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
FASCIITIS, NECROTIZING
fatal and near-fatal complications of liposuction (Barillo, et al), 487
invasive disease due to group A β-hemolytic streptococci: continued occurrence in children in North Carolina (Givner), 333
FAT NECROSIS
benign fat necrosis simulating bilateral breast malignancy after reduction mammoplasty (Miller, et al), 765
FATAL OUTCOME
abdominal apoplexy (Carmeci, et al), 273
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
acute tumor lysis syndrome after transcatheter chemoembolization of hepatocellular carcinoma (Burney), 466
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
blastomycosis as an etiology of acute lung injury (Thompson, et al), 861
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156
fatal and near-fatal complications of liposuction (Barillo, et al), 487
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
intravascular malignant lymphomatosis with neurologic presentation: factors facilitating antemortem diagnosis (Devlin, et al), 672
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
massive gastrointestinal bleeding from Meckel's diverticulum in a 91-year-old man (Lichtstein & Herskowitz), 753
meningeal carcinomatosis and syndrome of inappropriate antidiuretic hormone in a patient with metastatic carcinoma of the stomach (Mouallem, et al), 1076
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
pulmonary embolism and malpractice claims (Fink, et al), 1149
pulmonary embolus masquerading as pneumonia in a patient with Hodgkin's disease and nephrotic syndrome (Ellis, et al), 283
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957
solitary choroid plexus metastasis from a renal cell carcinoma (Raila, et al), 1159
unilateral absent pulmonary perfusion due to bronchogenic carcinoma (Gandhi & Shapiro), 392
FEMORAL ARTERY
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
FENFLURAMINE
challenges in obesity management (Poston, et al), 710
FENTANYL
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261

FETAL BLOOD
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
FETAL DEATH
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
FETAL DISEASES
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
FETAL DISTRESS
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
FETAL GROWTH RETARDATION
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
FETAL MONITORING
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
FETAL ORGAN MATURITY
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
FEVER
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
FEVER OF UNKNOWN ORIGIN
atypical *Pneumocystis carinii* infection in AIDS: massive cervical lymphadenitis and fever of unknown origin (Kallen & Wallace), 759
carcinoma of the colon: an unusual cause of prolonged fever (Zahid, et al), 462
intermittent fever and pancytopenia (letter) (Marinella), 603
intermittent fever and pancytopenia (letter, reply) (Schussler), 603
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
FIBROCYSTIC DISEASE OF BREAST
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
FIBROSIS
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
FINANCIAL SUPPORT
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
FIRES
fire in the operating room during tracheostomy (Thompson, et al), 243
FLAIL CHEST
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
FLASHLAMP-PUMPED PULSED DYE LASER. see LASERS
FLAXUM. see PARNAPARIN
FLORIDA
continuous non-seasonal epidemic of respiratory syncytial virus infection in the Southeast United States (Halstead & Jenkins), 433
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
FLOW CYTOMETRY
CD5 negative diffuse mantle cell lymphoma with splenomegaly and bone marrow involvement (Bell, et al), 584
FLUCONAZOLE
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
FLUID THERAPY
abdominal compartment syndrome (Watson & Howdieshell), 326
acute tumor lysis syndrome after transcatheter chemoembolization of hepatocellular carcinoma (Burney), 466
delirium tremens (Erwin, et al), 425
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
hypersensitivity reaction to azathioprine (Fields, et al), 471
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
FLUORESCENT ANTIBODY TECHNIQUE, DIRECT
pertussis infection in adults (Wright), 702
FLUOROMETHOLONE
the red eye revisited: ophthalmia nodosa due to tarantula hairs (Belyea, et al), 565
FLUOROQUINOLINES
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
FLUTAMIDE
prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
FOLIC ACID DEFICIENCY
prevalence of folate deficiency and macrocytosis in patients with and without alcohol-related illness (Fernando & Grimsley), 721
FOLLOW-UP STUDIES
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
FOOD HABITS
sociodemographic characteristics and individual health behaviors (Shi), 933
FOOD HANDLING
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
FOREIGN BODIES
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
FOREIGN-BODY MIGRATION
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
transient golden appendicolith (Palmer & Shortsleeve), 665
FOREIGN-BODY REACTION
giant sigmoid diverticulum: a rare manifestation of diverticular disease (Kuganeswaran & Fisher), 952

FOSCARNET
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
FRACTURES
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33
profile of pediatric bicycle injuries (Puranik, et al), 1033
FRACTURES, SPONTANEOUS
risk factors for hip fracture among southern older women (Turner, et al), 533
FRAGMIN. see DALTEPARIN
FRAIL ELDERLY
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375
FRAXIPARIN. see NADROPARIN
FRUCTOSE
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
FUNCTIONAL LIVING INDEX-CANCER
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
FUROSEMIDE
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
FURUNCULOSIS
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349

G

GABAPENTIN
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
GADOLINIUM DTPA
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
GAIT DISORDERS
leg weakness in neurosarcoidosis (Bassam, et al), 870
GALLBLADDER EMPTYING
correlation of gallbladder ejection fraction with pathologic grade for chronic inflammation (Harolds, et al), 147
GAMBLING
gambling behavior of adolescents in residential placement in Northwest Louisiana (Westphal, et al), 1038
GANCICLOVIR
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
GANGRENE
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957
GASTRIC BYPASS
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
GASTRIC MUCOSA
massive gastrointestinal bleeding from Meckel's diverticulum in a 91-year-old man (Lichtstein & Herskowitz), 753
GASTRIC OUTLET OBSTRUCTION
Brunner's gland hamartoma causing gastric outlet obstructive symptoms (Lingawi & Filipenko), 964
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
GASTROENTERITIS
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
GASTROEPIPLOIC ARTERY
abdominal apoplexy (Carmeci, et al), 273
GASTROESOPHAGEAL REFLUX
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
GASTROINTESTINAL DISEASES
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
GASTROINTESTINAL HEMORRHAGE
massive gastrointestinal bleeding from Meckel's diverticulum in a 91-year-old man (Lichtstein & Herskowitz), 753
GASTROPLASTY
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
GASTROSTOMY
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
GENE EXPRESSION
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
GENETICS
risk factors for hip fracture among southern older women (Turner, et al), 533
GENTAMICIN
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
perforated cecal adenocarcinoma manifested as thigh abscess (letter, reply) (Scoggins), 411
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
GEORGIA
The Academy of Medicine, Atlanta, Georgia, 1083
child fatality review in Georgia: a young system demonstrates its potential for identifying preventable childhood deaths (Luallen, et al), 414
The Crawford W. Long Museum, Jefferson, Georgia, 299
GERIATRIC ASSESSMENT
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375

GESTATIONAL AGE
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
GIANT CELL TUMORS
ulnar nerve entrapment at the wrist: cases from a hand surgery practice (Netscher & Cohen), 451
GIANT CELLS, FOREIGN BODY
nodular amyloidosis of the lung from intravenous drug abuse: an uncommon cause of multiple pulmonary nodules (Shah, et al), 402
GLIOSIS
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
GLOMERULAR FILTRATION RATE
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
GLOMERULONEPHRITIS
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
laryngeal manifestations of vasculitic disease (Astor, et al), 588
GLOMERULOSCLEROSIS
laryngeal manifestations of vasculitic disease (Astor, et al), 588
GLOTTIS
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
GLUCOCORTICOIDS
chronic medications in the perioperative period (Kroenke, et al), 358
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
GLUCOCORTICOIDS, SYNTHETIC
hypersensitivity reaction to azathioprine (Fields, et al), 471
GOLD ALLOYS
transient golden appendicolith (Palmer & Shortsleeve), 665
GONADORELIN
prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
GONORRHEA
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
GRAFT VS HOST DISEASE
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
GRAM-NEGATIVE BACTERIAL INFECTIONS
Chromobacterium violaceum infection (Midani & Rathore), 464
GRANISETRON
survey research vs clinical trials in evaluating the medical utility of marijuana (letter) (Doblin & Kleiman), 989
GRANULATION TISSUE
hidradenitis suppurativa (Brown, et al), 1107
GRANULOMA
leg weakness in neurosarcoidosis (Bassam, et al), 870
GRANULOMA, PLASMA CELL
renal inflammatory pseudotumor (Bell, et al), 1050
GRANULOMA, RESPIRATORY TRACT
symptomatic pulmonary hyalinizing granuloma (Ramirez, et al), 867
GREENBRIER CLINIC
The Greenbrier Clinic, White Sulphur Springs, West Virginia, 983
GRISEFULVIN
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349
GYNECOLOGY
formal pathology rotation during obstetrics and gynecology residency: is it beneficial? (McGehee, et al), 231
medical practices of past graduates from one obstetric/gynecologic training program (Morrison, et al), 227

H

HAIR
the red eye revisited: ophthalmia nodosa due to tarantula hairs (Belyea, et al), 565
synthetic braids and limited neck extension (letter) (Tomlin & Williams), 1183
HAIR FOLLICLE
hidradenitis suppurativa (Brown, et al), 1107
HALOPERIDOL
delirium tremens (Erwin, et al), 425
HALOTHANE
fire in the operating room during tracheostomy (Thompson, et al), 243
HAMARTOMA
Brunner's gland hamartoma causing gastric outlet obstructive symptoms (Lingawi & Filipenko), 964
HEAD AND NECK NEOPLASMS
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
HEAD INJURIES
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
profile of pediatric bicycle injuries (Puranik, et al), 1033
HEAD PROTECTIVE DEVICES
profile of pediatric bicycle injuries (Puranik, et al), 1033
HEADACHE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
meningeal carcinomatosis and syndrome of inappropriate antidiuretic hormone in a patient with metastatic carcinoma of the stomach (Mouallem, et al), 1076
HEALTH BEHAVIOR
challenges in obesity management (Poston, et al), 710
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
sociodemographic characteristics and individual health behaviors (Shi), 933
HEALTH CARE RATIONING
some insouciant reflections on approaching age 75 (ed.) (Moser), 692
HEALTH CARE REFORM
impact of minority physicians on health care (Thurmond & Kirch), 1009
HEALTH EXPENDITURES
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815

challenges in obesity management (Poston, et al), 710
impact of managed care on university-based surgical training (ed.) (Harrison), 308
HEALTH INSURANCE PLAN OF NEW YORK
benefits of screening mammography: a review for the primary care physician (Reichle), 510
HEALTH MAINTENANCE ORGANIZATIONS
projecting physician supply at a state level: physicians in Louisiana in 2001 and 2006 (Hilton, et al), 914
HEALTH PROMOTION
challenges in obesity management (Poston, et al), 710
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375
profile of pediatric bicycle injuries (Puranik, et al), 1033
sociodemographic characteristics and individual health behaviors (Shi), 933
HEALTH SERVICES
use of hospital services, religious attendance, and religious affiliation (Koenig & Larson), 925
HEALTH SERVICES ACCESSIBILITY
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
impact of minority physicians on health care (Thurmond & Kirch), 1009
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
HEALTH SERVICES NEEDS AND DEMAND
impact of managed care on university-based surgical training (ed.) (Harrison), 308
projecting physician supply at a state level: physicians in Louisiana in 2001 and 2006 (Hilton, et al), 914
HEARING DEFICIT
leg weakness in neurosarcoidosis (Bassam, et al), 870
HEART CATHETERIZATION
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
HEART ENLARGEMENT
mediastinal lipomatosis (Nguyén, et al), 1169
HEART FAILURE, CONGESTIVE
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
obstructive sleep apnea during pregnancy resulting in pulmonary hypertension (Lewis, et al), 761
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
HEART SEPTUM
interventricular septal endocarditis (letter) (Vaghjimal, et al), 43
HEART VALVE DISEASES
challenges in obesity management (Poston, et al), 710
HEART VALVE PROSTHESIS
exercise-induced fragmentation hemolysis: a simple in vivo test to evaluate heart valve hemolysis (Kampe, et al), 970
HELLP SYNDROME
absence of seasonal variation on the frequency of HELLP syndrome (Magann, et al), 731
maternal mortality associated with adult respiratory distress syndrome (Perry, et al), 441
HELMETS. see HEAD PROTECTIVE DEVICES HEMANGIOMA, CAVERNOUS
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
HEMATOCRIT
anemia and red cell distribution width at the 12-month well-baby examination (Choi & Reid), 372
HEMATOMA
abdominal apoplexy (Carmeci, et al), 273
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
spontaneous splenic rupture due to isolated splenic peliosis (Celebrezze, et al), 763
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
traumatic vulvar hematomas: conservative versus surgical management (Propst & Thorp), 144
HEMATOPOIETIC STEM CELL TRANSPLANTATION
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
HEMATURIA
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
renal inflammatory pseudotumor (Bell, et al), 1050
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
utility of dipstick urinalysis as a guide to management of adults with suspected infection or hematuria (Jou & Powers), 266
HEMIPLEGIA
middle cerebral artery vasculitis and stroke after varicella in a young adult (Hosseinipour, et al), 1070
HEMODIALYSIS
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
HEMODYNAMICS
anesthetic implications of tetanus (Tobias), 384
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
obstructive sleep apnea during pregnancy resulting in pulmonary hypertension (Lewis, et al), 761
patient-controlled anesthesia for colonoscopy using propofol: results of a pilot study (Heiman, et al), 560
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
HEMOGLOBIN SC DISEASE
anemia and red cell distribution width at the 12-month well-baby examination (Choi & Reid), 372
HEMOLYSIS
exercise-induced fragmentation hemolysis: a simple in vivo test to evaluate heart valve hemolysis (Kampe, et al), 970
HEMOLYTIC-UREMIC SYNDROME
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
HEMOPERITONEUM
abdominal apoplexy (Carmeci, et al), 273
HEMOPNEUMOTHORAX
recurrent catamenial hemopneumothorax (Bhatia, et al), 398
HEMOPTYSIS
hemoptysis as the sole presentation of *Pasteurella multocida* infection (Sazon, et al), 484
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957

HEMORRHAGE
low–molecular-weight heparins in clinical practice (Hunt), 2
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957
HEMOTHORAX
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
HEPARIN
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
chronic medications in the perioperative period (Kroenke, et al), 358
pulmonary embolism and malpractice claims (Fink, et al), 1149
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
HEPARIN, LOW–MOLECULAR-WEIGHT
low–molecular-weight heparins in clinical practice (Hunt), 2
middle cerebral artery vasculitis and stroke after varicella in a young adult (Hosseinipour, et al), 1070
severe hemorrhage complicating the Klippel-Trènaunay-Weber syndrome (Aronoff & Roshon), 1073
HEPATIC AMEBIASIS. see LIVER ABSCESS, AMEBIC
HEPATOSPLENOMEGALY
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
HEREDITARY DISEASES
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
HERNIA, VENTRAL
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
HERPES GENITALIS
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
HERPES SIMPLEX
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
HERPES ZOSTER
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
in utero varicella-zoster infections (Derrick & Lord), 1064
HIDRADENITIS SUPPURATIVA
hidradenitis suppurativa (Brown, et al), 1107
HIP FRACTURES
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
risk factors for hip fracture among southern older women (Turner, et al), 533
HIP PROSTHESIS
low–molecular-weight heparins in clinical practice (Hunt), 2
HIRSUTISM
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
HIRUDIN
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
HISPANIC AMERICANS
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
coexistence of primary antiphospholipid syndrome and protein S deficiency in a Hispanic man with ischemic stroke (Reyes-Iglesias, et al), 296
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
impact of minority physicians on health care (Thurmond & Kirch), 1009
HISTAMINE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
HISTOCOMPATIBILITY TESTING
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
HISTOPLASMOSIS
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156
HISTORY OF MEDICINE
The Academy of Medicine, Atlanta, Georgia, 1083
Alabama Museum of the Health Sciences and Reynolds Historical Library, Birmingham, Alabama, 787
Apothecary Shop and Doctor's Office, Old Beaufort-by-the-Sea, North Carolina, 884
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
The Crawford W. Long Museum, Jefferson, Georgia, 299
delirium tremens (Erwin, et al), 425
Eichold-Heustis Medical Museum of the South, Mobile, Alabama, 686
The Greenbrier Clinic, White Sulphur Springs, West Virginia, 983
McDowell House, Danville, Kentucky, 405
The Mills House, South Carolina State Hospital, Columbia, 1177
Scott & White Archives and Log Cabin Museum, Temple, Texas, 595
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
Waring Historical Library, Charleston, South Carolina, 499
HIV-1
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
HIV INFECTIONS
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
nodular amyloidosis of the lung from intravenous drug abuse: an uncommon cause of multiple pulmonary nodules (Shah, et al), 402
the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124

T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755
tuberculosis of the pleura (Morehead), 630
HIV SERONEGATIVITY
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
HIV SEROPREVALENCE
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
tuberculosis of the pleura (Morehead), 630
HLA ANTIGENS
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
HLA-B27 ANTIGEN
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
HMG-CoA REDUCTASE INHIBITORS
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
HOARSENESS
laryngeal manifestations of vasculitic disease (Astor, et al), 588
HODGKIN'S DISEASE
pulmonary embolus masquerading as pneumonia in a patient with Hodgkin's disease and nephrotic syndrome (Ellis, et al), 283
HOME CARE SERVICES
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
HOME REMEDIES. see MEDICINE, TRADITIONAL
HOMELESS PERSONS
the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345
HOMICIDE
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
HOMOSEXUALITY, MALE
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
HOSPITAL CHARGES
profile of pediatric bicycle injuries (Puranik, et al), 1033
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
HOSPITAL COSTS
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
epidemiology of hospitalization for near-drowning (Joseph & King), 253
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
prevalence of folate deficiency and macrocytosis in patients with and without alcohol-related illness (Fernando & Grimsley), 721
use of hospital services, religious attendance, and religious affiliation (Koenig & Larson), 925
HOSPITALIZATION
epidemiology of hospitalization for near-drowning (Joseph & King), 253
use of hospital services, religious attendance, and religious affiliation (Koenig & Larson), 925
HOSPITALS, COMMUNITY
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
HOSPITALS, PRIVATE
The Greenbrier Clinic, White Sulphur Springs, West Virginia, 983
HOSPITALS, PSYCHIATRIC
The Mills House, South Carolina State Hospital, Columbia, 1177
HOSPITALS, UNIVERSITY
the level of preventive health care in an internal medicine residency clinic: still only an ounce of prevention? (Keim, et al), 550
HOT FLASHES
prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
HYDROCHLOROTHIAZIDE
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
HYDROCODONE
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726
HYDROCORTISONE
chronic medications in the perioperative period (Kroenke, et al), 358
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
prompt differentiation of Addison's disease from anorexia nervosa during weight loss and vomiting (Adams, et al), 208
HYDROXYCHOLECALCIFEROLS
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33
HYDROXYUREA
chronic myelogenous leukemia and porphyria cutanea tarda in a patient with limited systemic sclerosis (Wooten, et al), 493
HYPERANDROGENISM
hidradenitis suppurativa (Brown, et al), 1107
HYPERCALCEMIA
functioning parathyroid cyst (Safran), 978
management of primary hyperparathyroidism in children (Bornemann), 475
HYPERCHOLESTEROLEMIA
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
simvastatin-induced lupus erythematosus (Khosla, et al), 873
HYPEREOSINOPHILIC SYNDROME
visceral larva migrans and the hypereosinophilia syndrome (Arango), 882

HYPERGLYCEMIC HYPEROSMOLAR NONKETOTIC COMA
medical examiner cases associated with previously undiagnosed diabetes mellitus, North Carolina, 1994 (Bell, et al), 151
HYPERINSULINEMIA
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
HYPERLIPIDEMIA
characteristics of West Virginians having myocardial infarction (Bell, et al), 1042
HYPERNATREMIA
low anion gap (Jurado, et al), 624
HYPERPARATHYROIDISM
functioning parathyroid cyst (Safran), 978
management of primary hyperparathyroidism in children (Bornemann), 475
HYPERPIGMENTATION
chronic myelogenous leukemia and porphyria cutanea tarda in a patient with limited systemic sclerosis (Wooten, et al), 493
prompt differentiation of Addison's disease from anorexia nervosa during weight loss and vomiting (Adams, et al), 208
HYPERPLASIA
imaging-guided core biopsies in the breast (Soo), 994
HYPERSENSITIVITY, IMMEDIATE
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
HYPERTENSION
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
angiotensin II receptor antagonists: what future? (ed.) (Onuigbo), 794
characteristics of West Virginians having myocardial infarction (Bell, et al), 1042
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060
HYPERTENSION, PULMONARY
challenges in obesity management (Poston, et al), 710
obstructive sleep apnea during pregnancy resulting in pulmonary hypertension (Lewis, et al), 761
HYPERTENSION, RENAL
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
HYPERTHERMIA, INDUCED
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
successful treatment of in-transit metastases from Merkel's cell carcinoma with isolated hyperthermic limb perfusion (Gupta, et al), 289
HYPERTRICHOSIS
chronic myelogenous leukemia and porphyria cutanea tarda in a patient with limited systemic sclerosis (Wooten, et al), 493
HYPERTRIGLYCERIDEMIA
low anion gap (Jurado, et al), 624
HYPERVISCOSITY. see BLOOD VISCOSITY
HYPOALBUMINEMIA
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
low anion gap (Jurado, et al), 624
HYPOCAPNIA
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
HYPOGLYCEMIA
chronic medications in the perioperative period (Kroenke, et al), 358
insulinoma masquerading as factitious hypoglycemia (Baddley, et al), 1066
HYPOKALEMIA
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
HYPONATREMIA
meningeal carcinomatosis and syndrome of inappropriate antidiuretic hormone in a patient with metastatic carcinoma of the stomach (Mouallem, et al), 1076
thymoma associated with syndrome of inappropriate antidiuretic hormone secretion and myasthenia gravis (Donadio, et al), 278
HYPOPHARYNX
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
HYPOPHOSPHATEMIA
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
HYPOTHALAMO-HYPOPHYSEAL SYSTEM
chronic medications in the perioperative period (Kroenke, et al), 358
HYPOTHALAMUS
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
HYPOTHYROIDISM
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
HYPOXEMIA. see ANOXEMIA
HYSTERECTOMY
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
serous psammocarcinoma of the ovary (Powell, et al), 477

I

IATROGENIC DISEASE
electrocardiographic changes with right-sided pneumothorax (Alikhan & Biddison), 677
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
Obniti iatrogenesi et primum non nocere (to strive against iatrogenesis and to first do no harm) (Andrews), 424
IGE
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
IGG
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159

rubella serology in mentally retarded adults (Olsen, et al), 842
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
IGM
visceral larva migrans and the hypereosinophilia syndrome (Arango), 882
ILEAL DISEASES
diaphragm-like strictures of the ileum associated with NSAID use: a rare complication (Abrahamian, et al), 395
ILEUS
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060
IMAGE PROCESSING, COMPUTER-ASSISTED
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
IMMUNITY, ACTIVE
rubella serology in mentally retarded adults (Olsen, et al), 842
IMMUNITY, CELLULAR
tuberculosis of the pleura (Morehead), 630
IMMUNITY, MATERNALLY ACQUIRED
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159
IMMUNIZATION
rubella serology in mentally retarded adults (Olsen, et al), 842
IMMUNIZATION, SECONDARY
pertussis infection in adults (Wright), 702
IMMUNOASSAY
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159
IMMUNOBLASTIC LYMPHADENOPATHY
nodular amyloidosis of the lung from intravenous drug abuse: an uncommon cause of multiple pulmonary nodules (Shah, et al), 402
IMMUNOHISTOCHEMISTRY
primary colon cancer without gross mucosal tumor: unusual presentation of a common malignancy (Wimmer, et al), 1173
IMMUNOPHENOTYPING
CD5 negative diffuse mantle cell lymphoma with splenomegaly and bone marrow involvement (Bell, et al), 584
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
INAPPROPRIATE ADH SYNDROME
meningeal carcinomatosis and syndrome of inappropriate antidiuretic hormone in a patient with metastatic carcinoma of the stomach (Mouallem, et al), 1076
thymoma associated with syndrome of inappropriate antidiuretic hormone secretion and myasthenia gravis (Donadio, et al), 278
INCIDENCE
alcohol on campus: alcohol-related emergencies in undergraduate college students (Wright, et al), 909
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
INCIDENTALOMAS. see ADRENAL GLAND NEOPLASMS
INCONTINENCE
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
INDINAVIR
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
INDOMETHACIN
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
INFANT MORTALITY
invasive disease due to group A β-hemolytic streptococci: continued occurrence in children in North Carolina (Givner), 333
INFANT, NEWBORN, DISEASES
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
INFANT, PREMATURE
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159
INFANT, PREMATURE, DISEASES
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
INFANT, VERY LOW BIRTHWEIGHT
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159
INFLAMMATORY PSEUDOTUMOR. see GRANULOMA, PLASMA CELL
INFRARED RAYS
unreliability of the infrared tympanic thermometer in clinical practice: a comparative study with oral mercury and oral electronic thermometers (Modell, et al), 649
INJURY SEVERITY SCORE
epidemiology of hospitalization for near-drowning (Joseph & King), 253
INLAYS
transient golden appendicolith (Palmer & Shortsleeve), 665
INOSITOL
pathophysiology and treatment of painful diabetic neuropathy of the lower extremity (Wunderlich, et al), 894
INSTITUTIONALIZATION
rubella serology in mentally retarded adults (Olsen, et al), 842
INSULIN
chronic medications in the perioperative period (Kroenke, et al), 358
INSULIN RESISTANCE
insulin resistance syndrome (letter) (Cheng), 697
insulin resistance syndrome (letter, reply) (Opara), 697
INSULINOMA
insulinoma masquerading as factitious hypoglycemia (Baddley, et al), 1066

INSURANCE BENEFITS
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
INSURANCE, HEALTH
epidemiology of hospitalization for near-drowning (Joseph & King), 253
patient participation in colon cancer screening programs (DiPalma, et al), 342
INSURANCE, HEALTH, REIMBURSEMENT
challenges in obesity management (Poston, et al), 710
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
INSURANCE, PHARMACEUTICAL SERVICES
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
INTENSIVE CARE UNITS, PEDIATRIC
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
INTERFERON ALPHA
chronic myelogenous leukemia and porphyria cutanea tarda in a patient with limited systemic sclerosis (Wooten, et al), 493
INTERNAL FIXATORS
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
INTERNAL MEDICINE
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
the level of preventive health care in an internal medicine residency clinic: still only an ounce of prevention? (Keim, et al), 550
INTERNSHIP AND RESIDENCY
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
formal pathology rotation during obstetrics and gynecology residency: is it beneficial? (McGehee, et al), 231
impact of managed care on university-based surgical training (ed.) (Harrison), 308
the level of preventive health care in an internal medicine residency clinic: still only an ounce of prevention? (Keim, et al), 550
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
medical practices of past graduates from one obstetric/gynecologic training program (Morrison, et al), 227
perplexed after vaginal delivery (letter) (Mathis), 991
perplexed after vaginal delivery (letter, reply) (Mann), 991
recording of occupational information in adult patients (letter) (Barker, et al), 44
INTERPROFESSIONAL RELATIONS
legal and ethical dilemmas in drug management for team physicians and athletic trainers (St. Mary), 421
INTERVENTRICULAR SEPTUM. see HEART SEPTUM
INTERVERTEBRAL DISK DISPLACEMENT
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
INTESTINAL DISEASES
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060
INTESTINAL DISEASES, PARASITIC
intestinal strongyloidiasis manifesting as eosinophilic pleural effusion (Goyal), 768
INTESTINAL OBSTRUCTION
colonic strictures induced by nonsteroidal anti-inflammatory drugs (Ribeiro, et al), 568
diaphragm-like strictures of the ileum associated with NSAID use: a rare complication (Abrahamian, et al), 395
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
INTESTINAL PERFORATION
geriatric acute perforated appendicitis: atypical symptoms lead to a difficult diagnosis (Majeski & Durst), 669
perforated cecal adenocarcinoma manifested as thigh abscess (letter) (Marinella), 411
perforated cecal adenocarcinoma manifested as thigh abscess (letter, reply) (Scoggins), 411
primary colon cancer without gross mucosal tumor: unusual presentation of a common malignancy (Wimmer, et al), 1173
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381
INTRAOPERATIVE CARE
chronic medications in the perioperative period (Kroenke, et al), 358
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
INTRAOPERATIVE COMPLICATIONS
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
INTRAOPERATIVE PERIOD
effectiveness of conjugated estrogen in orthotopic liver transplantation (Frenette, et al), 365
INTRAVASCULAR MALIGNANT LYMPHOMATOSIS. see LYMPHOMA, NON-HODGKIN'S
INTUBATION, GASTROINTESTINAL
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
INTUBATION, INTRATRACHEAL
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
IODIDES
low anion gap (Jurado, et al), 624
IODOQUINOL
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
ION-SELECTIVE ELECTRODES
low anion gap (Jurado, et al), 624

IRRIGATION
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
IRRITABLE BOWEL SYNDROME
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
ISOLATION PERFUSION THERAPY. see PERFUSION, REGIONAL
ISONIAZID
tuberculosis of the pleura (Morehead), 630
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
ISOTRETINOIN
hidradenitis suppurativa (Brown, et al), 1107
ITRACONAZOLE
neck mass resulting from local extension of pulmonary blastomycosis (Hoskere, et al), 946

J

JAMES H. QUILLEN COLLEGE OF MEDICINE, EAST TENNESSEE STATE UNIVERSITY
James H. Quillen College of Medicine, East Tennessee State University (Stanton), 38
JOB SATISFACTION
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
JOINT PROSTHESIS
low–molecular-weight heparins in clinical practice (Hunt), 2

K

KAPLAN'S COMORBIDITY SCALE
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
KASABACH-MERRITT SYNDROME
severe hemorrhage complicating the Klippel-Trènaunay-Weber syndrome (Aronoff & Roshon), 1073
KELOID
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
KENTUCKY
McDowell House, Danville, Kentucky, 405
KERATITIS
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
KETOCONAZOLE
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349
KETOROLAC
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
KIDNEY CALCULI
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
KIDNEY CONCENTRATING ABILITY
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
KIDNEY DISEASES
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
renal inflammatory pseudotumor (Bell, et al), 1050
KIDNEY FAILURE, ACUTE
abdominal compartment syndrome (Watson & Howdieshell), 326
hypersensitivity reaction to azathioprine (Fields, et al), 471
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
KIDNEY FAILURE, CHRONIC
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
KIDNEY FUNCTION TESTS
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
KIDNEY NEOPLASMS
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
renal inflammatory pseudotumor (Bell, et al), 1050
solitary choroid plexus metastasis from a renal cell carcinoma (Raila, et al), 1159
KIDNEY TRANSPLANTATION
prostate-specific antigen values and their clinical significance in renal transplant recipients (Ha, et al), 847
KILLER CELLS, NATURAL
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
KLIPPEL-TRÈNAUNAY-WEBER SYNDROME
severe hemorrhage complicating the Klippel-Trènaunay-Weber syndrome (Aronoff & Roshon), 1073
KNEE PROSTHESIS
low–molecular-weight heparins in clinical practice (Hunt), 2
KNOWLEDGE, ATTITUDES, PRACTICE
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
KRYPTON LASER. see LASERS
KTP LASER. see LASERS

L

LABOR
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
LABOR COMPLICATIONS
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
LABOR, INDUCED
Bishop score: a poor diagnostic test to predict failed induction versus vaginal delivery (Hendrix, et al), 248
LABOR, PREMATURE
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
LABOR PRESENTATION
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
LACTATE DEHYDROGENASE
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23

LAMIVUDINE
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
LAPAROSCOPIC SURGERY
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
LAPAROSCOPY
abdominal compartment syndrome (Watson & Howdieshell), 326
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
LAPAROTOMY
abdominal apoplexy (Carmeci, et al), 273
LARVA MIGRANS, VISCERAL
visceral larva migrans and the hypereosinophilia syndrome (Arango), 882
LARYNGEAL DISEASES
laryngeal manifestations of vasculitic disease (Astor, et al), 588
LARYNGOSCOPY
synthetic braids and limited neck extension (letter) (Tomlin & Williams), 1183
LASER SURGERY
hidradenitis suppurativa (Brown, et al), 1107
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
LASERS
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
LEAD POISONING
illicit alcohol (moonshine) consumption in West Alabama revisited (Ellis & Lacy), 858
LEG
anesthetic implications of tetanus (Tobias), 384
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
pathophysiology and treatment of painful diabetic neuropathy of the lower extremity (Wunderlich, et al), 894
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
LEGISLATION
profile of pediatric bicycle injuries (Puranik, et al), 1033
LENGTH OF STAY
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
epidemiology of hospitalization for near-drowning (Joseph & King), 253
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
profile of pediatric bicycle injuries (Puranik, et al), 1033
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
use of hospital services, religious attendance, and religious affiliation (Koenig & Larson), 925
LENTIGO
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
LEPTIN
challenges in obesity management (Poston, et al), 710
LEUKEMIA, MONOCYTIC, ACUTE
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
LEUKEMIA, MYELOID, PHILADELPHIA-POSITIVE
chronic myelogenous leukemia and porphyria cutanea tarda in a patient with limited systemic sclerosis (Wooten, et al), 493
LEUKEMIA, T-CELL, ACUTE
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
LEUKOCYTE ESTERASE TEST. see CARBOXYLIC ESTER HYDROLASES
LEUKOCYTOSIS
visceral larva migrans and the hypereosinophilia syndrome (Arango), 882
LEUPROLIDE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
recurrent catamenial hemopneumothorax (Bhatia, et al), 398
LEVONORGESTREL
ulnar neuropathy associated with subdermal contraceptive implant (Marin & McMillan), 875
LHRH. see GONADORELIN
LIABILITY, LEGAL
legal and ethical dilemmas in drug management for team physicians and athletic trainers (St. Mary), 421
LIBRARIES, MEDICAL
The Academy of Medicine, Atlanta, Georgia, 1083
Alabama Museum of the Health Sciences and Reynolds Historical Library, Birmingham, Alabama, 787
Waring Historical Library, Charleston, South Carolina, 499
LIDOCAINE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
LIFE CHANGE EVENTS
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
LIFE EXPECTANCY
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
LIFE STYLE
challenges in obesity management (Poston, et al), 710
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555

sociodemographic characteristics and individual health behaviors (Shi), 933
LIPOMA
ulnar nerve entrapment at the wrist: cases from a hand surgery practice (Netscher & Cohen), 451
LIPOMATOSIS
mediastinal lipomatosis (Nguyén, et al), 1169
LIPOPROTEINS, LDL, CHOLESTEROL
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
LIPOSUCTION
fatal and near-fatal complications of liposuction (Barillo, et al), 487
LISINOPRIL
angiotensin II receptor antagonists: what future? (ed.) (Onuigbo), 794
LITHIUM
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
LITHOTRIPSY
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
LIVER ABSCESS
Chromobacterium violaceum infection (Midani & Rathore), 464
LIVER ABSCESS, AMEBIC
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
LIVER DISEASES
spontaneous splenic rupture due to isolated splenic peliosis (Celebrezze, et al), 763
LIVER FUNCTION TESTS
acute tumor lysis syndrome after transcatheter chemoembolization of hepatocellular carcinoma (Burney), 466
Chromobacterium violaceum infection (Midani & Rathore), 464
LIVER NEOPLASMS
acute tumor lysis syndrome after transcatheter chemoembolization of hepatocellular carcinoma (Burney), 466
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
LIVER TRANSPLANTATION
effectiveness of conjugated estrogen in orthotopic liver transplantation (Frenette, et al), 365
LOCUS OF CONTROL
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
LOGIPARIN. see TINZAPARIN
LONG, CRAWFORD W.
The Crawford W. Long Museum, Jefferson, Georgia, 299
LONG QT SYNDROME
T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755
LORAZEPAM
delirium tremens (Erwin, et al), 425
LORENZO'S OIL. see ERUCIC ACIDS
LOSARTAN
angiotensin II receptor antagonists: what future? (ed.) (Onuigbo), 794
LOUISIANA
emergency medicine practice systems in Louisiana (Waldrop, et al), 354
gambling behavior of adolescents in residential placement in Northwest Louisiana (Westphal, et al), 1038
preparedness of practicing pediatricians in Louisiana to manage emergencies (Shetty, et al), 745
projecting physician supply at a state level: physicians in Louisiana in 2001 and 2006 (Hilton, et al), 914
LOVASTATIN
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
LOVENOX. see ENOXAPARIN
LOW ANION GAP. see ACID-BASE IMBALANCE
LUMBAR VERTEBRAE
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
morphologic study of lumbar vertebral osteophytes (Heggeness & Doherty), 187
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
LUNG ABSCESS
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957
LUNG DISEASES
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
nodular amyloidosis of the lung from intravenous drug abuse: an uncommon cause of multiple pulmonary nodules (Shah, et al), 402
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338
symptomatic pulmonary hyalinizing granuloma (Ramirez, et al), 867
LUNG DISEASES, FUNGAL
blastomycosis as an etiology of acute lung injury (Thompson, et al), 861
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156
neck mass resulting from local extension of pulmonary blastomycosis (Hoskere, et al), 946
LUNG DISEASES, OBSTRUCTIVE
hemoptysis as the sole presentation of *Pasteurella multocida* infection (Sazon, et al), 484
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
LUNG INJURY, ACUTE. see RESPIRATORY DISTRESS SYNDROME, ADULT
LUNG NEOPLASMS
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014

transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
unilateral absent pulmonary perfusion due to bronchogenic carcinoma (Gandhi & Shapiro), 392
LUNG VOLUME MEASUREMENTS
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
LUPUS ERYTHEMATOSUS, SYSTEMIC
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349
simvastatin-induced lupus erythematosus (Khosla, et al), 873
LUTEINIZING HORMONE-RELEASING HORMONE. see GONADORELIN
LYMPHADENITIS
atypical *Pneumocystis carinii* infection in AIDS: massive cervical lymphadenitis and fever of unknown origin (Kallen & Wallace), 759
LYMPHATIC METASTASIS
successful treatment of in-transit metastases from Merkel's cell carcinoma with isolated hyperthermic limb perfusion (Gupta, et al), 289
LYMPHATIC NEOPLASMS
carcinoma of the colon: an unusual cause of prolonged fever (Zahid, et al), 462
LYMPHOMA, B-CELL
calcification in untreated non-Hodgkin's mediastinal lymphoma (Apter, et al), 212
LYMPHOMA, NON-HODGKIN'S
calcification in untreated non-Hodgkin's mediastinal lymphoma (Apter, et al), 212
intravascular malignant lymphomatosis with neurologic presentation: factors facilitating antemortem diagnosis (Devlin, et al), 672
LYMPHOMA, SMALL CLEAVED-CELL, DIFFUSE
CD5 negative diffuse mantle cell lymphoma with splenomegaly and bone marrow involvement (Bell, et al), 584
LYMPHOMA, SMALL LYMPHOCYTIC
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681

M

MACHIAVELLIANISM
medical manners: medical students' perceptions of their own (Merrill, et al), 256
MAGNESIUM SULFATE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
MAGNETIC RESONANCE IMAGING
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
coexistence of primary antiphospholipid syndrome and protein S deficiency in a Hispanic man with ischemic stroke (Reyes-Iglesias, et al), 296
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
leg weakness in neurosarcoidosis (Bassam, et al), 870
localized fibrous nodular mesothelioma of the pelvis (Schutz & Fink), 280
middle cerebral artery vasculitis and stroke after varicella in a young adult (Hosseinipour, et al), 1070
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
MALABSORPTION SYNDROMES
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
MALPRACTICE
benefits of screening mammography: a review for the primary care physician (Reichle), 510
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
medical manners: medical students' perceptions of their own (Merrill, et al), 256
pulmonary embolism and malpractice claims (Fink, et al), 1149
MAMMAPLASTY
benign fat necrosis simulating bilateral breast malignancy after reduction mammoplasty (Miller, et al), 765
MAMMOGRAPHY
benefits of screening mammography: a review for the primary care physician (Reichle), 510
does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
imaging-guided core biopsies in the breast (Soo), 994
the level of preventive health care in an internal medicine residency clinic: still only an ounce of prevention? (Keim, et al), 550
MANAGED CARE PROGRAMS
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
impact of managed care on university-based surgical training (ed.) (Harrison), 308
medical care of prisoners: controversial or not? (letter) (Keung & Lau), 991
MANTLE CELL LYMPHOMA. see LYMPHOMA, SMALL CLEAVED-CELL, DIFFUSE
MARIJUANA SMOKING
survey research vs clinical trials in evaluating the medical utility of marijuana (letter) (Doblin & Kleiman), 989
survey research vs clinical trials in evaluating the medical utility of marijuana (letter, reply) (Schwartz), 990
MASS SCREENING
benefits of screening mammography: a review for the primary care physician (Reichle), 510
continuous non-seasonal epidemic of respiratory syncytial virus infection in the Southeast United States (Halstead & Jenkins), 433
does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
patient participation in colon cancer screening programs (DiPalma, et al), 342
prostate cancer: to screen or not to screen? (ed.) (Hamdy, et al), 305

prostate-specific antigen values and their clinical significance in renal transplant recipients (Ha, et al), 847
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
MASSAGE THERAPY
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
MASTECTOMY, SEGMENTAL
imaging-guided core biopsies in the breast (Soo), 994
MATERNAL AGE
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
MATERNAL HEALTH SERVICES
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
MATERNAL MORTALITY
maternal mortality associated with adult respiratory distress syndrome (letter) (Alkhuja), 1183
maternal mortality associated with adult respiratory distress syndrome (Perry, et al), 441
MAZINDOL
challenges in obesity management (Poston, et al), 710
McDOWELL, EPHRIAM
McDowell House, Danville, Kentucky, 405
McDOWELL HOUSE
McDowell House, Danville, Kentucky, 405
MEASLES VACCINE
rubella serology in mentally retarded adults (Olsen, et al), 842
MEASLES VIRUS
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159
MECKEL'S DIVERTICULUM
massive gastrointestinal bleeding from Meckel's diverticulum in a 91-year-old man (Lichtstein & Herskowitz), 753
MEDIASTINAL DISEASES
mediastinal lipomatosis (Nguyén, et al), 1169
MEDIASTINAL NEOPLASMS
calcification in untreated non-Hodgkin's mediastinal lymphoma (Apter, et al), 212
thymoma associated with syndrome of inappropriate antidiuretic hormone secretion and myasthenia gravis (Donadio, et al), 278
MEDICAID
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
MEDICAL ASSISTANCE
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
MEDICAL HISTORY TAKING
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
MEDICAL INDIGENCY
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
MEDICAL ONCOLOGY
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
survey research vs clinical trials in evaluating the medical utility of marijuana (letter) (Doblin & Kleiman), 989
MEDICAL RECORDS
emergency medicine practice systems in Louisiana (Waldrop, et al), 354
recording of occupational information in adult patients (letter) (Barker, et al), 44
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
MEDICAL UNIVERSITY OF SOUTH CAROLINA
Waring Historical Library, Charleston, South Carolina, 499
MEDICALLY UNDERSERVED AREA
impact of managed care on university-based surgical training (ed.) (Harrison), 308
impact of minority physicians on health care (Thurmond & Kirch), 1009
MEDICALLY UNINSURED
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
MEDICARE
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
impact of managed care on university-based surgical training (ed.) (Harrison), 308
MEDICINE, ORIENTAL, TRADITIONAL
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
MEDICINE, TRADITIONAL
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
MEDULLA OBLONGATA
leg weakness in neurosarcoidosis (Bassam, et al), 870
MELANOMA
sunscreens and skin cancer (ed.) (Epstein), 601
MELPHALAN
successful treatment of in-transit metastases from Merkel's cell carcinoma with isolated hyperthermic limb perfusion (Gupta, et al), 289
MENINGEAL NEOPLASMS
meningeal carcinomatosis and syndrome of inappropriate antidiuretic hormone in a patient with metastatic carcinoma of the stomach (Mouallem, et al), 1076
MENINGITIS, BACTERIAL
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
MENINGITIS, PNEUMOCOCCAL
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
MENINGOCOCCAL INFECTIONS
meningococcal cellulitis and sialadenitis (Gelfand, et al), 287
MENOPAUSE
correlation between endometrial cells on Papanicolaou smear and endometrial carcinoma (Kerpsack, et al), 749
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090

MENSTRUATION
recurrent catamenial hemopneumothorax (Bhatia, et al), 398
MENTAL RETARDATION
rubella serology in mentally retarded adults (Olsen, et al), 842
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
MEPROBAMATE
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726
MERIDIANS
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
MESOTHELIOMA
localized fibrous nodular mesothelioma of the pelvis (Schutz & Fink), 280
META-ANALYSIS
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
METABOLIC CLEARANCE RATE
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
METAPROTERENOL
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
METHACHOLINE
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338
METHANDROSTENOLONE
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
METHICILLIN RESISTANCE
prevalence of methicillin-resistant *Staphylococcus aureus* in a dermatology outpatient population (Price, et al), 369
METHYLPREDNISOLONE
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
hypersensitivity reaction to azathioprine (Fields, et al), 471
laryngeal manifestations of vasculitic disease (Astor, et al), 588
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
METHYSERGIDE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
METRONIDAZOLE
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
METYRAPONE
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
MICROBIAL SENSITIVITY TESTS
catheter-related bacteremia due to *Mycobacterium smegmatis* (Skiest & Levi), 36
Chromobacterium violaceum infection (Midani & Rathore), 464
prevalence of methicillin-resistant *Staphylococcus aureus* in a dermatology outpatient population (Price, et al), 369
MICROSCOPY
utility of dipstick urinalysis as a guide to management of adults with suspected infection or hematuria (Jou & Powers), 266
MIDAZOLAM
delirium tremens (Erwin, et al), 425
MIGRAINE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
MILITARY MEDICINE
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
passive smoking exposure on submarines (letter) (Seufert), 43
MILLS, ROBERT
The Mills House, South Carolina State Hospital, Columbia, 1177
MINORITY GROUPS
impact of minority physicians on health care (Thurmond & Kirch), 1009
MITHRAMYCIN
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
MITOXANTRONE
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
MITRAL VALVE INSUFFICIENCY
exercise-induced fragmentation hemolysis: a simple in vivo test to evaluate heart valve hemolysis (Kampe, et al), 970
MOBILITY. see MOVEMENT
MONITORING, AMBULATORY
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
MONOAMINE OXIDASE INHIBITORS
chronic medications in the perioperative period (Kroenke, et al), 358
MOONSHINE. see ALCOHOL DRINKING
MORTALITY
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
benefits of screening mammography: a review for the primary care physician (Reichle), 510
child fatality review in Georgia: a young system demonstrates its potential for identifying preventable childhood deaths (Luallen, et al), 414
does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726
MOUTH DISEASES
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060

MOVEMENT
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
MOXIBUSTION
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
MULTIPLE ENDOCRINE NEOPLASIA
management of primary hyperparathyroidism in children (Bornemann), 475
MULTIPLE MYELOMA
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
MULTIPLE ORGAN FAILURE
fatal and near-fatal complications of liposuction (Barillo, et al), 487
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
MULTIPLE SCLEROSIS
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
MUMPS VACCINE
rubella serology in mentally retarded adults (Olsen, et al), 842
MUMPS VIRUS
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159
MUSCLE DENERVATION
ulnar neuropathy associated with subdermal contraceptive implant (Marin & McMillan), 875
MUSCLE RELAXANTS, CENTRAL
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726
MUSCLE, SKELETAL
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
MUSCLE SPASTICITY
anesthetic implications of tetanus (Tobias), 384
MUSCLE WEAKNESS
intravascular malignant lymphomatosis with neurologic presentation: factors facilitating antemortem diagnosis (Devlin, et al), 672
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
leg weakness in neurosarcoidosis (Bassam, et al), 870
MUSEUMS
Alabama Museum of the Health Sciences and Reynolds Historical Library, Birmingham, Alabama, 787
Apothecary Shop and Doctor's Office, Old Beaufort-by-the-Sea, North Carolina, 884
The Crawford W. Long Museum, Jefferson, Georgia, 299
Eichold-Heustis Medical Museum of the South, Mobile, Alabama, 686
McDowell House, Danville, Kentucky, 405
The Mills House, South Carolina State Hospital, Columbia, 1177
Scott & White Archives and Log Cabin Museum, Temple, Texas, 595
MYASTHENIA GRAVIS
thymoma associated with syndrome of inappropriate antidiuretic hormone secretion and myasthenia gravis (Donadio, et al), 278
MYCOBACTERIUM INFECTIONS
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
MYCOBACTERIUM INFECTIONS, ATYPICAL
catheter-related bacteremia due to *Mycobacterium smegmatis* (Skiest & Levi), 36
MYCOPLASMA INFECTIONS
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
MYELOGRAPHY
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
MYOCARDIAL DISEASES
T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755
MYOCARDIAL INFARCTION
characteristics of West Virginians having myocardial infarction (Bell, et al), 1042
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
low–molecular-weight heparins in clinical practice (Hunt), 2
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
MYOCARDIAL REPERFUSION INJURY
abdominal compartment syndrome (Watson & Howdieshell), 326
MYOGLOBINURIA
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
MYOGRAPHY
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
MYOMETRIUM
placental implantation at 18 weeks and migration throughout pregnancy (Magann, et al), 1025

N

NADROPARIN
low–molecular-weight heparins in clinical practice (Hunt), 2
NALOXONE
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
challenges in obesity management (Poston, et al), 710
NALTREXONE
itching to understand the phenomenon of craving in addiction (letter, reply) (Velasco & Lippmann), 217
NATIONAL REHABILITATION ACT
disability law: problems and proposals (Lande), 518
NAUSEA
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
NAVAL MEDICINE
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
passive smoking exposure on submarines (letter) (Seufert), 43
NEAR DROWNING
epidemiology of hospitalization for near-drowning (Joseph & King), 253
NECK
atypical *Pneumocystis carinii* infection in AIDS: massive cervical lymphadenitis and fever of unknown origin (Kallen & Wallace), 759
functioning parathyroid cyst (Safran), 978

meningococcal cellulitis and sialadenitis (Gelfand, et al), 287
neck mass resulting from local extension of pulmonary blastomycosis (Hoskere, et al), 946
synthetic braids and limited neck extension (letter) (Tomlin & Williams), 1183
NECROSIS
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381
NEOPLASM METASTASIS
carcinoma of the colon: an unusual cause of prolonged fever (Zahid, et al), 462
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
meningeal carcinomatosis and syndrome of inappropriate antidiuretic hormone in a patient with metastatic carcinoma of the stomach (Mouallem, et al), 1076
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
solitary choroid plexus metastasis from a renal cell carcinoma (Raila, et al), 1159
NEOPLASM RECURRENCE, LOCAL
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
giant skin cancers (letter) (Randle, et al), 603
giant skin cancers (letter, reply) (Thomas), 603
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
NEOPLASM STAGING
giant skin cancers (letter, reply) (Thomas), 603
imaging-guided core biopsies in the breast (Soo), 994
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
NEOPLASMS
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
NEOPLASMS, GLANDULAR AND EPITHELIAL
solid and papillary epithelial neoplasm of the pancreas, diagnosis by cytology (Crawford), 973
NEOPLASMS, MULTIPLE PRIMARY
Streptococcus sanguis bacteremia and colorectal cancer (Macaluso, et al), 206
NEPHRECTOMY
renal inflammatory pseudotumor (Bell, et al), 1050
NEPHRITIS, INTERSTITIAL
laryngeal manifestations of vasculitic disease (Astor, et al), 588
NEPHROTIC SYNDROME
pulmonary embolus masquerading as pneumonia in a patient with Hodgkin's disease and nephrotic syndrome (Ellis, et al), 283
NERVE BLOCK
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
NERVE COMPRESSION SYNDROMES
leg weakness in neurosarcoidosis (Bassam, et al), 870
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
ulnar nerve entrapment at the wrist: cases from a hand surgery practice (Netscher & Cohen), 451
NERVOUS SYSTEM DISEASES
leg weakness in neurosarcoidosis (Bassam, et al), 870
NEURALGIA
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
NEUROLOGIC EXAMINATION
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
NEUROPEPTIDE Y
challenges in obesity management (Poston, et al), 710
NEUROPEPTIDES
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
NEUROTRANSMITTERS
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
NEVUS
sunscreens and skin cancer (ed.) (Epstein), 601
NEVUS, PIGMENTED
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
NEWSPAPERS
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
NHANES. see THIRD NATIONAL HEALTH AND NUTRITIONAL EXAMINATION SURVEY
NIACIN
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
NITRITES
utility of dipstick urinalysis as a guide to management of adults with suspected infection or hematuria (Jou & Powers), 266
NITROUS OXIDE
fire in the operating room during tracheostomy (Thompson, et al), 243
NK CELLS. see KILLER CELLS, NATURAL
NOREPINEPHRINE
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
NORMIFLO. see ARDEPARIN
NORPLANT. see LEVONORGESTREL
NORTH CAROLINA
Apothecary Shop and Doctor's Office, Old Beaufort-by-the-Sea, North Carolina, 884
invasive disease due to group A β-hemolytic streptococci: continued occurrence in children in North Carolina (Givner), 333
medical examiner cases associated with previously undiagnosed diabetes mellitus, North Carolina, 1994 (Bell, et al), 151
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580

NUCLEAR MAGNETIC RESONANCE
solitary choroid plexus metastasis from a renal cell carcinoma (Raila, et al), 1159
NURSE-PATIENT RELATIONS
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
NURSING HOMES
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
NUTRITION DISORDERS
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
delirium tremens (Erwin, et al), 425

O

OBESITY
challenges in obesity management (Poston, et al), 710
characteristics of West Virginians having myocardial infarction (Bell, et al), 1042
insulin resistance syndrome (letter) (Cheng), 697
medical examiner cases associated with previously undiagnosed diabetes mellitus, North Carolina, 1994 (Beil, et al), 151
OBESITY, MORBID
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
obstructive sleep apnea during pregnancy resulting in pulmonary hypertension (Lewis, et al), 761
OBSTETRICS
formal pathology rotation during obstetrics and gynecology residency: is it beneficial? (McGehee, et al), 231
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
medical practices of past graduates from one obstetric/gynecologic training program (Morrison, et al), 227
perplexed after vaginal delivery (letter) (Mathis), 991
perplexed after vaginal delivery (letter, reply) (Mann), 991
OCCULT BLOOD
patient participation in colon cancer screening programs (DiPalma, et al), 342
OCCUPATIONAL DISEASES
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
OCCUPATIONAL EXPOSURE
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
OCCUPATIONS
recording of occupational information in adult patients (letter) (Barker, et al), 44
OFFICE MANAGEMENT
preparedness of practicing pediatricians in Louisiana to manage emergencies (Shetty, et al), 745
OFLOXACIN
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
OLIGURIA
abdominal compartment syndrome (Watson & Howdieshell), 326
OMPHALOCELE
abdominal compartment syndrome (Watson & Howdieshell), 326
ONDANSETRON
survey research vs clinical trials in evaluating the medical utility of marijuana (letter) (Doblin & Kleiman), 989
OPERATING ROOMS
fire in the operating room during tracheostomy (Thompson, et al), 243
OPHTHALMIA NODOSA
the red eye revisited: ophthalmia nodosa due to tarantula hairs (Belyea, et al), 565
OPHTHALMOPLEGIA
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
ORBITAL DISEASES
massive periorbital lymphedema after excision of cutaneous malignancy (letter) (Lober & Haas), 411
ORGANIZATION AND ADMINISTRATION
James H. Quillen College of Medicine, East Tennessee State University (Stanton), 38
ORGANON
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
ORLISTAT
challenges in obesity management (Poston, et al), 710
OSTEITIS DEFORMANS
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
OSTEOARTHRITIS
diaphragm-like strictures of the ileum associated with NSAID use: a rare complication (Abrahamian, et al), 395
morphologic study of lumbar vertebral osteophytes (Heggeness & Doherty), 187
OSTEOBLASTS
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
OSTEOCHONDRODYSPLASIAS
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
OSTEOCLASTS
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
OSTEOCYTES
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
OSTEOGENESIS IMPERFECTA
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
OSTEOMALACIA
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
OSTEOMYELITIS
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
OSTEOPHYTES. see SPINAL OSTEOPHYTOSIS
OSTEOPOROSIS
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33

OSTEOPOROSIS, POSTMENOPAUSAL
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
risk factors for hip fracture among southern older women (Turner, et al), 533
OSTEOSARCOMA
catheter-related bacteremia due to *Mycobacterium smegmatis* (Skiest & Levi), 36
OTITIS MEDIA
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
OUTCOME AND PROCESS ASSESSMENT (HEALTH CARE)
benefits of screening mammography: a review for the primary care physician (Reichle), 510
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
OUTPATIENT CLINICS, HOSPITAL
the level of preventive health care in an internal medicine residency clinic: still only an ounce of prevention? (Keim, et al), 550
OVARIAN NEOPLASMS
serous psammocarcinoma of the ovary (Powell, et al), 477
OVARIECTOMY
serous psammocarcinoma of the ovary (Powell, et al), 477
OVERDOSE
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726
OVUM IMPLANTATION
placental implantation at 18 weeks and migration throughout pregnancy (Magann, et al), 1025
OXIDATIVE STRESS
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338
OXYGEN
fire in the operating room during tracheostomy (Thompson, et al), 243
OXYGEN INHALATION THERAPY
blastomycosis as an etiology of acute lung injury (Thompson, et al), 861
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
OXYTOCIN
Bishop score: a poor diagnostic test to predict failed induction versus vaginal delivery (Hendrix, et al), 248

P

PAGET'S DISEASE OF BONE. see OSTEITIS DEFORMANS
PAIN
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
fatal and near-fatal complications of liposuction (Barillo, et al), 487
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
PAIN, CHRONIC
pathophysiology and treatment of painful diabetic neuropathy of the lower extremity (Wunderlich, et al), 894
PAIN MEASUREMENT
patient-controlled anesthesia for colonoscopy using propofol: results of a pilot study (Heiman, et al), 560
PAIN THRESHOLD
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
PALLIATIVE CARE
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
PANCREATECTOMY
insulinoma masquerading as factitious hypoglycemia (Baddley, et al), 1066
PANCREATIC NEOPLASMS
insulinoma masquerading as factitious hypoglycemia (Baddley, et al), 1066
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
solid and papillary epithelial neoplasm of the pancreas, diagnosis by cytology (Crawford), 973
PANCREATITIS
incidental discovery of emphysematous cystitis (Wortmann & Fleckenstein), 785
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060
PANCREATODUODENECTOMY
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
PANCREATOGRAPHY
solid and papillary epithelial neoplasm of the pancreas, diagnosis by cytology (Crawford), 973
PANCYTOPENIA
intermittent fever and pancytopenia (letter) (Marinella), 603
PAP SMEARS. see VAGINAL SMEARS
PAPOVAVIRIDAE INFECTIONS
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
PARANOID DISORDERS
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838

PARATHYROID HORMONES
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
PARATHYROID NEOPLASMS
functioning parathyroid cyst (Safran), 978
management of primary hyperparathyroidism in children (Bornemann), 475
PARATHYROIDECTOMY
management of primary hyperparathyroidism in children (Bornemann), 475
PARENTERAL NUTRITION, TOTAL
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
PARNAPARIN
low-molecular-weight heparins in clinical practice (Hunt), 2
PASTEURELLOSIS, PNEUMONIC
hemoptysis as the sole presentation of *Pasteurella multocida* infection (Sazon, et al), 484
PATHOLOGY, CLINICAL
formal pathology rotation during obstetrics and gynecology residency: is it beneficial? (McGehee, et al), 231
giant skin cancers (letter, reply) (Thomas), 603
PATIENT ADMISSION
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
PATIENT ADVOCACY
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
medical care of prisoners: controversial or not? (letter) (Keung & Lau), 991
PATIENT CARE MANAGEMENT
chronic medications in the perioperative period (Kroenke, et al), 358
PATIENT CARE TEAM
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
PATIENT COMPLIANCE
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
challenges in obesity management (Poston, et al), 710
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838
PATIENT DISCHARGE
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
perplexed after vaginal delivery (letter) (Mathis), 991
PATIENT DROPOUTS
challenges in obesity management (Poston, et al), 710
patient participation in colon cancer screening programs (DiPalma, et al), 342
PATIENT EDUCATION
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
PATIENT PARTICIPATION
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
patient participation in colon cancer screening programs (DiPalma, et al), 342
PATIENT POSITIONING
imaging-guided core biopsies in the breast (Soo), 994
PATIENT READMISSION
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
PATIENT SATISFACTION
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
PEAK EXPIRATORY FLOW RATE
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
PECTORALIS MUSCLES
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
PEDIATRICS
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
anemia and red cell distribution width at the 12-month well-baby examination (Choi & Reid), 372
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
child fatality review in Georgia: a young system demonstrates its potential for identifying preventable childhood deaths (Luallen, et al), 414
Chromobacterium violaceum infection (Midani & Rathore), 464
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
epidemiology of hospitalization for near-drowning (Joseph & King), 253
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
gambling behavior of adolescents in residential placement in Northwest Louisiana (Westphal, et al), 1038
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
invasive disease due to group A β-hemolytic streptococci: continued occurrence in children in North Carolina (Givner), 333
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
management of primary hyperparathyroidism in children (Bornemann), 475
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
preparedness of practicing pediatricians in Louisiana to manage emergencies (Shetty, et al), 745
profile of pediatric bicycle injuries (Puranik, et al), 1033

pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
in utero varicella-zoster infections (Derrick & Lord), 1064
visceral larva migrans and the hypereosinophilia syndrome (Arango), 882
PEDIGREE
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
coexistence of primary antiphospholipid syndrome and protein S deficiency in a Hispanic man with ischemic stroke (Reyes-Iglesias, et al), 296
PEEP. see POSITIVE-PRESSURE RESPIRATION
PELIOSIS HEPATITIS
spontaneous splenic rupture due to isolated splenic peliosis (Celebrezze, et al), 763
PELVIC INFLAMMATORY DISEASE. see ADNEXITIS
PELVIC NEOPLASMS
localized fibrous nodular mesothelioma of the pelvis (Schutz & Fink), 280
PENICILLIN
hemoptysis as the sole presentation of *Pasteurella multocida* infection (Sazon, et al), 484
PENICILLIN G
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
PERFUSION PUMPS
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
PERFUSION, REGIONAL
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
successful treatment of in-transit metastases from Merkel's cell carcinoma with isolated hyperthermic limb perfusion (Gupta, et al), 289
PERIODICITY
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
PERIPHERAL NERVOUS SYSTEM DISEASES
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
intravascular malignant lymphomatosis with neurologic presentation: factors facilitating antemortem diagnosis (Devlin, et al), 672
pathophysiology and treatment of painful diabetic neuropathy of the lower extremity (Wunderlich, et al), 894
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
ulnar neuropathy associated with subdermal contraceptive implant (Marin & McMillan), 875
PERITONITIS
efficacy of a novel synthetic material to close exposed fascial defects (Aliabadi-Wahle, et al), 733
PERSISTENT FETAL CIRCULATION SYNDOME
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
PERSONAL NARRATIVES
breaking the silence of factitious disorder (ed.) (Feldman), 41
PERSONAL SATISFACTION
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
PERSONNEL SELECTION
disability law: problems and proposals (Lande), 518
PERTUSSIS. see WHOOPING COUGH
PERTUSSIS TOXINS
pertussis infection in adults (Wright), 702
PHARYNGEAL DISEASES
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
PHARYNGEAL NEOPLASMS
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
PHARYNGECTOMY
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
PHENTERMINE
challenges in obesity management (Poston, et al), 710
PHENYLPROPANOLAMINE
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
PHENYTOIN
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
PHILOSOPHY, MEDICAL
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
first do no harm (ed.) (Tanner), 215
PHLEBITIS
low–molecular-weight heparins in clinical practice (Hunt), 2
PHOSPHATIDYLINOSITOL
pathophysiology and treatment of painful diabetic neuropathy of the lower extremity (Wunderlich, et al), 894
PHOSPHOCREATINE
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
PHOTOCHEMOTHERAPY
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
PHOTOSENSITIVITY DISORDERS
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349
PHOTOTHERAPY
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
PHYSICAL EXAMINATION
Bishop score: a poor diagnostic test to predict failed induction versus vaginal delivery (Hendrix, et al), 248
PHYSICAL THERAPY
legal and ethical dilemmas in drug management for team physicians and athletic trainers (St. Mary), 421
PHYSICIAN ASSISTANTS
emergency medicine practice systems in Louisiana (Waldrop, et al), 354
PHYSICIAN-PATIENT RELATIONS
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864

first do no harm (ed.) (Tanner), 215
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
medical manners: medical students' perceptions of their own (Merrill, et al), 256
training physicians to be competent communicators (letter) (Morris), 218
training physicians to be competent communicators (letter, reply) (Parrott), 218
PHYSICIANS
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
impact of minority physicians on health care (Thurmond & Kirch), 1009
projecting physician supply at a state level: physicians in Louisiana in 2001 and 2006 (Hilton, et al), 914
PHYSICIAN'S PRACTICE PATTERNS
chronic medications in the perioperative period (Kroenke, et al), 358
formal pathology rotation during obstetrics and gynecology residency: is it beneficial? (McGehee, et al), 231
medical practices of past graduates from one obstetric/gynecologic training program (Morrison, et al), 227
survey research vs clinical trials in evaluating the medical utility of marijuana (letter) (Doblin & Kleiman), 989
PHYSICIAN'S ROLE
first do no harm (ed.) (Tanner), 215
medical manners: medical students' perceptions of their own (Merrill, et al), 256
training physicians to be competent communicators (letter) (Morris), 218
PICA
visceral larva migrans and the hypereosinophilia syndrome (Arango), 882
PIGMENTATION DISORDERS
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
PIGMENTED LESION DYE LASER. see LASERS
PIROXICAM
diaphragm-like strictures of the ileum associated with NSAID use: a rare complication (Abrahamian, et al), 395
PITUITARY-ADRENAL SYSTEM
chronic medications in the perioperative period (Kroenke, et al), 358
PIZOTIFEN
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
PLACENTA
placental implantation at 18 weeks and migration throughout pregnancy (Magann, et al), 1025
PLACENTA PRAEVIA
placental implantation at 18 weeks and migration throughout pregnancy (Magann, et al), 1025
PLANTS, MEDICINAL
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
PLASMA EXCHANGE
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
PLASMAPHERESIS
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
PLATELET COUNT
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
PLATELET FACTOR 4
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
PLEURAL DISEASES
tuberculosis of the pleura (Morehead), 630
PLEURAL EFFUSION
calcification in untreated non-Hodgkin's mediastinal lymphoma (Apter, et al), 212
intestinal strongyloidiasis manifesting as eosinophilic pleural effusion (Goyal), 768
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
recurrent catamenial hemopneumothorax (Bhatia, et al), 398
simvastatin-induced lupus erythematosus (Khosla, et al), 873
tuberculosis of the pleura (Morehead), 630
PLEURAL EFFUSION, MALIGNANT
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
PLEURISY
blastomycosis as an etiology of acute lung injury (Thompson, et al), 861
PLEURITIS
intestinal strongyloidiasis manifesting as eosinophilic pleural effusion (Goyal), 768
PLEURODESIS
recurrent catamenial hemopneumothorax (Bhatia, et al), 398
PNEUMOCOCCAL INFECTIONS
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
PNEUMOCYSTIS CARINII INFECTIONS
atypical *Pneumocystis carinii* infection in AIDS: massive cervical lymphadenitis and fever of unknown origin (Kallen & Wallace), 759
PNEUMONIA
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
neck mass resulting from local extension of pulmonary blastomycosis (Hoskere, et al), 946
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755
PNEUMONIA, *PNEUMOCYSTIS CARINII*
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
pulmonary embolus masquerading as pneumonia in a patient with Hodgkin's disease and nephrotic syndrome (Ellis, et al), 283
PNEUMOPERITONEUM, ARTIFICIAL
abdominal compartment syndrome (Watson & Howdieshell), 326
PNEUMOTHORAX
electrocardiographic changes with right-sided pneumothorax (Alikhan & Biddison), 677
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099

POETRY
Obniti iatrogenesi et primum non nocere (to strive against iatrogenesis and to first do no harm) (Andrews), 424
POLICE
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
POLYHYDRAMNIOS
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
POLYMERASE CHAIN REACTION
CD5 negative diffuse mantle cell lymphoma with splenomegaly and bone marrow involvement (Bell, et al), 584
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
pertussis infection in adults (Wright), 702
POLYMYALGIA RHEUMATICA
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
POLYMYOSITIS
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
thymoma associated with syndrome of inappropriate antidiuretic hormone secretion and myasthenia gravis (Donadio, et al), 278
POLYPROPYLENES
efficacy of a novel synthetic material to close exposed fascial defects (Aliabadi-Wahle, et al), 733
POLYTETRAFLUOROETHYLENE
efficacy of a novel synthetic material to close exposed fascial defects (Aliabadi-Wahle, et al), 733
POLYURETHANES
efficacy of a novel synthetic material to close exposed fascial defects (Aliabadi-Wahle, et al), 733
POPULATION SURVEILLANCE
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
PORPHYRIA CUTANEA TARDA
chronic myelogenous leukemia and porphyria cutanea tarda in a patient with limited systemic sclerosis (Wooten, et al), 493
POSITIVE-PRESSURE RESPIRATION
maternal mortality associated with adult respiratory distress syndrome (Perry, et al), 441
obstructive sleep apnea during pregnancy resulting in pulmonary hypertension (Lewis, et al), 761
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
POSTOPERATIVE COMPLICATIONS
abdominal compartment syndrome (Watson & Howdieshell), 326
benign fat necrosis simulating bilateral breast malignancy after reduction mammoplasty (Miller, et al), 765
chronic medications in the perioperative period (Kroenke, et al), 358
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
exercise-induced fragmentation hemolysis: a simple in vivo test to evaluate heart valve hemolysis (Kampe, et al), 970
fatal and near-fatal complications of liposuction (Barillo, et al), 487
low–molecular-weight heparins in clinical practice (Hunt), 2
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
massive periorbital lymphedema after excision of cutaneous malignancy (letter) (Lober & Haas), 411
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
thoracic splenosis (Buchino & Buchino), 1054
POSTPARTUM PERIOD. see PUERPERIUM
POTASSIUM
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
POVERTY
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
PPD TEST. see TUBERCULIN TEST
PRACTICE GUIDELINES
benefits of screening mammography: a review for the primary care physician (Reichle), 510
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
low–molecular-weight heparins in clinical practice (Hunt), 2
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
PRAVASTATIN
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
PRAZIQUANTEL
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
PREDICTIVE VALUE OF TESTS
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
anemia and red cell distribution width at the 12-month well-baby examination (Choi & Reid), 372
benefits of screening mammography: a review for the primary care physician (Reichle), 510
correlation of gallbladder ejection fraction with pathologic grade for chronic inflammation (Harolds, et al), 147
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
imaging-guided core biopsies in the breast (Soo), 994
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
prostate cancer: to screen or not to screen? (ed.) (Hamdy, et al), 305
prostate-specific antigen values and their clinical significance in renal transplant recipients (Ha, et al), 847
utility of dipstick urinalysis as a guide to management

of adults with suspected infection or hematuria (Jou & Powers), 266
PREDNISONE
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156
laryngeal manifestations of vasculitic disease (Astor, et al), 588
leg weakness in neurosarcoidosis (Bassam, et al), 870
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
simvastatin-induced lupus erythematosus (Khosla, et al), 873
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381
PREGNANCY
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
low–molecular-weight heparins in clinical practice (Hunt), 2
placental implantation at 18 weeks and migration throughout pregnancy (Magann, et al), 1025
PREGNANCY COMPLICATIONS
absence of seasonal variation on the frequency of HELLP syndrome (Magann, et al), 731
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
maternal mortality associated with adult respiratory distress syndrome (letter) (Alkhuja), 1183
maternal mortality associated with adult respiratory distress syndrome (letter, reply) (Perry, et al), 1183
maternal mortality associated with adult respiratory distress syndrome (Perry, et al), 441
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
placental implantation at 18 weeks and migration throughout pregnancy (Magann, et al), 1025
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
PREGNANCY COMPLICATIONS, CARDIOVASCULAR
obstructive sleep apnea during pregnancy resulting in pulmonary hypertension (Lewis, et al), 761
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
PREGNANCY COMPLICATIONS, INFECTIOUS
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
in utero varicella-zoster infections (Derrick & Lord), 1064
PREGNANCY, MULTIPLE
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
PREGNANCY OUTCOME
Bishop score: a poor diagnostic test to predict failed induction versus vaginal delivery (Hendrix, et al), 248
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
maternal mortality associated with adult respiratory distress syndrome (Perry, et al), 441
obstructive sleep apnea during pregnancy resulting in pulmonary hypertension (Lewis, et al), 761
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
PREJUDICE
disability law: problems and proposals (Lande), 518
impact of minority physicians on health care (Thurmond & Kirch), 1009
PREMENOPAUSE
correlation between endometrial cells on Papanicolaou smear and endometrial carcinoma (Kerpsack, et al), 749
PRENATAL CARE
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
PRENATAL DIAGNOSIS
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
PRENATAL EXPOSURE DELAYED EFFECTS
in utero varicella-zoster infections (Derrick & Lord), 1064
PREOPERATIVE CARE
chronic medications in the perioperative period (Kroenke, et al), 358
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
PRESCRIPTIONS, DRUG
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
legal and ethical dilemmas in drug management for team physicians and athletic trainers (St. Mary), 421
survey research vs clinical trials in evaluating the medical utility of marijuana (letter) (Doblin & Kleiman), 989
PRESCRIPTIONS, NON-DRUG
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
PREVALENCE
gambling behavior of adolescents in residential placement in Northwest Louisiana (Westphal, et al), 1038
PREVENTIVE HEALTH SERVICES
the level of preventive health care in an internal medicine residency clinic: still only an ounce of prevention? (Keim, et al), 550

PRIMAQUINE
atypical *Pneumocystis carinii* infection in AIDS: massive cervical lymphadenitis and fever of unknown origin (Kallen & Wallace), 759
PRIMARY HEALTH CARE
benefits of screening mammography: a review for the primary care physician (Reichle), 510
formal pathology rotation during obstetrics and gynecology residency: is it beneficial? (McGehee, et al), 231
impact of minority physicians on health care (Thurmond & Kirch), 1009
the level of preventive health care in an internal medicine residency clinic: still only an ounce of prevention? (Keim, et al), 550
medical manners: medical students' perceptions of their own (Merrill, et al), 256
medical practices of past graduates from one obstetric/gynecologic training program (Morrison, et al), 227
projecting physician supply at a state level: physicians in Louisiana in 2001 and 2006 (Hilton, et al), 914
PRISONERS
medical care of prisoners: controversial or not? (letter) (Keung & Lau), 991
PROFESSIONAL-PATIENT RELATIONS
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
PROFESSIONAL REVIEW ORGANIZATIONS
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
PROGNOSIS
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
correlation between endometrial cells on Papanicolaou smear and endometrial carcinoma (Kerpsack, et al), 749
use of hospital services, religious attendance, and religious affiliation (Koenig & Larson), 925
PRONE POSITION
maternal mortality associated with adult respiratory distress syndrome (letter) (Alkhuja), 1183
synthetic braids and limited neck extension (letter) (Tomlin & Williams), 1183
PROPOFOL
delirium tremens (Erwin, et al), 425
patient-controlled anesthesia for colonoscopy using propofol: results of a pilot study (Heiman, et al), 560
PROPOXYPHENE
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726
PROSTATE NEOPLASMS
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
PROSTATE-SPECIFIC ANTIGEN
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
prostate cancer: to screen or not to screen? (ed.) (Hamdy, et al), 305
prostate-specific antigen values and their clinical significance in renal transplant recipients (Ha, et al), 847
PROSTATECTOMY
prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
prostate cancer: to screen or not to screen? (ed.) (Hamdy, et al), 305
PROSTATIC NEOPLASMS
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
prostate cancer: to screen or not to screen? (ed.) (Hamdy, et al), 305
prostate-specific antigen values and their clinical significance in renal transplant recipients (Ha, et al), 847
PROSTATITIS
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
PROTEIN C
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
PROTEIN S DEFICIENCY
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
coexistence of primary antiphospholipid syndrome and protein S deficiency in a Hispanic man with ischemic stroke (Reyes-Iglesias, et al), 296
PROTEINS
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
PROTEINURIA
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
prostate-specific antigen values and their clinical significance in renal transplant recipients (Ha, et al), 847
pulmonary embolus masquerading as pneumonia in a patient with Hodgkin's disease and nephrotic syndrome (Ellis, et al), 283
PSAMMOCARCINOMA, SEROUS. see CYSTADENOCARCINOMA, SEROUS
PSEUDOSEIZURES. see SEIZURES
PSORIASIS
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349
PSYCHOTIC DISORDERS
the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345
PUBLIC OPINION
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
PUBLIC POLICY
challenges in obesity management (Poston, et al), 710
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821

PUERPERAL DISORDERS
implementation of early discharges after uncomplicated vaginal deliveries: maternal and infant complications (Behram, et al), 541
maternal mortality associated with adult respiratory distress syndrome (letter) (Alkhuja), 1183
maternal mortality associated with adult respiratory distress syndrome (Perry, et al), 441
traumatic vulvar hematomas: conservative versus surgical management (Propst & Thorp), 144
PUERPERIUM
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
PULMONARY DIFFUSING CAPACITY
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
PULMONARY EDEMA
abdominal compartment syndrome (Watson & Howdieshell), 326
T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755
PULMONARY EMBOLISM
low–molecular-weight heparins in clinical practice (Hunt), 2
pulmonary embolism and malpractice claims (Fink, et al), 1149
pulmonary embolus masquerading as pneumonia in a patient with Hodgkin's disease and nephrotic syndrome (Ellis, et al), 283
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
unilateral absent pulmonary perfusion due to bronchogenic carcinoma (Gandhi & Shapiro), 392
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381
PULSED CO_2 LASER. see LASERS
PYRAZINAMIDE
tuberculosis of the pleura (Morehead), 630

Q

Q-SWITCHED LASERS. see LASERS
QI. see CH'I
QRS VOLTAGE. see ELECTROCARDIOGRAPHY
QUADRIPLEGIA
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
QUALITY ASSURANCE, HEALTH CARE
the level of preventive health care in an internal medicine residency clinic: still only an ounce of prevention? (Keim, et al), 550
QUALITY OF HEALTH CARE
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
QUALITY OF LIFE
challenges in obesity management (Poston, et al), 710
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
some insouciant reflections on approaching age 75 (ed.) (Moser), 692
QUASI-CONTINUOUS WAVE LASER. see LASERS
QUESTIONNAIRES
chronic medications in the perioperative period (Kroenke, et al), 358
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
maternity care practices of Navy family practice residency graduates after leaving the military (Hayes, et al), 555
medical manners: medical students' perceptions of their own (Merrill, et al), 256
medical practices of past graduates from one obstetric/gynecologic training program (Morrison, et al), 227
the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345

R

RACIAL STOCKS
risk factors for hip fracture among southern older women (Turner, et al), 533
RADIATION, ELECTROMAGNETIC
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
RADIOGRAPHY
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
Eagle's syndrome (letter) (Shroeder), 43
RADIOGRAPHY, THORACIC
calcification in untreated non-Hodgkin's mediastinal lymphoma (Apter, et al), 212
thoracic splenosis (Buchino & Buchino), 1054
RADIONUCLIDE IMAGING
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
correlation of gallbladder ejection fraction with pathologic grade for chronic inflammation (Harolds, et al), 147
imaging-guided core biopsies in the breast (Soo), 994
management of primary hyperparathyroidism in children (Bornemann), 475
successful treatment of in-transit metastases from Merkel's cell carcinoma with isolated hyperthermic limb perfusion (Gupta, et al), 289
RADIOSURGERY
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
RADIOTHERAPY
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
umbilical cord blood transplantation: providing a

donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
RANDOMIZED CONTROLLED TRIALS
benefits of screening mammography: a review for the primary care physician (Reichle), 510
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
RAPE
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
RAYNAUD'S DISEASE
chronic myelogenous leukemia and porphyria cutanea tarda in a patient with limited systemic sclerosis (Wooten, et al), 493
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
REAGENT STRIPS
utility of dipstick urinalysis as a guide to management of adults with suspected infection or hematuria (Jou & Powers), 266
REAVEN'S SYNDROME. see SYNDROME X
RECEPTORS, ANGIOTENSIN
angiotensin II receptor antagonists: what future? (ed.) (Onuigbo), 794
RECEPTORS, FIBROBLAST GROWTH FACTOR
immunodeficiency in a patient with Baller-Gerold syndrome (Golombek, et al), 966
RECEPTORS, GABA
delirium tremens (Erwin, et al), 425
RECTAL DISEASES
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381
RECURRENCE
hidradenitis suppurativa (Brown, et al), 1107
RED CELL DISTRIBUTION WIDTH. see ERYTHROCYTE INDICES
REFERRAL AND CONSULTATION
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
pulmonary embolism and malpractice claims (Fink, et al), 1149
REFUSAL TO TREAT
medical care of prisoners: controversial or not? (letter) (Keung & Lau), 991
REGIONAL HEALTH PLANNING
projecting physician supply at a state level: physicians in Louisiana in 2001 and 2006 (Hilton, et al), 914
REGISTRIES
patient participation in colon cancer screening programs (DiPalma, et al), 342
REGRESSION ANALYSIS
sociodemographic characteristics and individual health behaviors (Shi), 933
REIMBURSEMENT MECHANISMS
DRG reimbursement: geriatric hip fractures in the community hospital trauma center (Clancy, et al), 457
RELAXATION TECHNIQUES
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
RELIGION AND MEDICINE
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
use of hospital services, religious attendance, and religious affiliation (Koenig & Larson), 925
REMISSION, SPONTANEOUS
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
RENIN-ANGIOTENSIN SYSTEM
angiotensin II receptor antagonists: what future? (ed.) (Onuigbo), 794
RENOVASCULAR HYPERTENSION
abdominal compartment syndrome (Watson & Howdieshell), 326
REOPERATION
abdominal compartment syndrome (Watson & Howdieshell), 326
exercise-induced fragmentation hemolysis: a simple in vivo test to evaluate heart valve hemolysis (Kampe, et al), 970
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
REPRODUCIBILITY OF RESULTS
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
RESEARCH
survey research vs clinical trials in evaluating the medical utility of marijuana (letter) (Doblin & Kleiman), 989
survey research vs clinical trials in evaluating the medical utility of marijuana (letter, reply) (Schwartz), 990
RESIDENTIAL TREATMENT
gambling behavior of adolescents in residential placement in Northwest Louisiana (Westphal, et al), 1038
RESPIRATION, ARTIFICIAL
maternal mortality associated with adult respiratory distress syndrome (letter) (Alkhuja), 1183
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
RESPIRATORY DISTRESS SYNDROME
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
RESPIRATORY DISTRESS SYNDROME, ADULT
blastomycosis as an etiology of acute lung injury (Thompson, et al), 861
fatal and near-fatal complications of liposuction (Barillo, et al), 487
maternal mortality associated with adult respiratory distress syndrome (letter) (Alkhuja), 1183
maternal mortality associated with adult respiratory distress syndrome (letter, reply) (Perry, et al), 1183
maternal mortality associated with adult respiratory distress syndrome (Perry, et al), 441
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
RESPIRATORY FUNCTION TESTS
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338

RESPIRATORY INSUFFICIENCY
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338
RESPIRATORY SYNCYTIAL VIRUS INFECTIONS
continuous non-seasonal epidemic of respiratory syncytial virus infection in the Southeast United States (Halstead & Jenkins), 433
invasive disease due to group A β-hemolytic streptococci: continued occurrence in children in North Carolina (Givner), 333
RESPIRATORY TRACT DISEASES
continuous non-seasonal epidemic of respiratory syncytial virus infection in the Southeast United States (Halstead & Jenkins), 433
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
RESTLESS LEGS
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
REVIPARIN
low–molecular-weight heparins in clinical practice (Hunt), 2
REYNOLDS HISTORICAL LIBRARY
Alabama Museum of the Health Sciences and Reynolds Historical Library, Birmingham, Alabama, 787
RHABDOMYOLYSIS
exertional rhabdomyolysis after recent coxsackie B virus infection (Marinella), 1057
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
RHYTIDOPLASTY
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
RIB FRACTURES
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
RIFAMPIN
tuberculosis of the pleura (Morehead), 630
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
RISK ASSESSMENT
does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
RISK FACTORS
challenges in obesity management (Poston, et al), 710
characteristics of West Virginians having myocardial infarction (Bell, et al), 1042
delirium tremens (Erwin, et al), 425
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
low–molecular-weight heparins in clinical practice (Hunt), 2
multiple organ toxicity from addition of erythromycin to long-term lovastatin therapy (Wong, et al), 202
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
risk factors for hip fracture among southern older women (Turner, et al), 533
the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345
sunscreens and skin cancer (ed.) (Epstein), 601
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
RISK-TAKING
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
RUBELLA
rubella serology in mentally retarded adults (Olsen, et al), 842
RUBELLA SYNDROME, CONGENITAL
rubella serology in mentally retarded adults (Olsen, et al), 842
RUBELLA VIRUS
measles, mumps, and rubella serology in premature infants weighing less than 1,000 grams (Glick, et al), 159
RUPTURE, SPONTANEOUS
abdominal apoplexy (Carmeci, et al), 273
geriatric acute perforated appendicitis: atypical symptoms lead to a difficult diagnosis (Majeski & Durst), 669
spontaneous splenic rupture due to isolated splenic peliosis (Celebrezze, et al), 763
RURAL POPULATION
illicit alcohol (moonshine) consumption in West Alabama revisited (Ellis & Lacy), 858

S

SACRUM
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
SAFETY
profile of pediatric bicycle injuries (Puranik, et al), 1033
SALICYLATES
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
SANDOPARIN. see CERTROPARIN
SARCOIDOSIS
leg weakness in neurosarcoidosis (Bassam, et al), 870
SARCOMA
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
SARCOMA, ENDOMETRIAL STROMAL
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
SARCOMA, KAPOSI'S
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
SCAPULA
catheter-related bacteremia due to *Mycobacterium smegmatis* (Skiest & Levi), 36
SCHISTOSOMIASIS HAEMATOBIA
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
SCHIZOPHRENIA
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838

the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345
SCHIZOPHRENIFORM DISORDER
comorbidity of schizophreniform disorder and borderline personality disorder in an 18-year-old black woman (Houry, et al), 275
SCHOOLS, MEDICAL
impact of minority physicians on health care (Thurmond & Kirch), 1009
James H. Quillen College of Medicine, East Tennessee State University (Stanton), 38
SCINTIGRAPHY. see RADIONUCLIDE IMAGING
SCLERODACTYLY
chronic myelogenous leukemia and porphyria cutanea tarda in a patient with limited systemic sclerosis (Wooten, et al), 493
SCLERODERMA, SYSTEMIC
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
SCLEROSIS
calcification in untreated non-Hodgkin's mediastinal lymphoma (Apter, et al), 212
SCOTT & WHITE HOSPITAL AND CLINIC
Scott & White Archives and Log Cabin Museum, Temple, Texas, 595
SEASONS
absence of seasonal variation on the frequency of HELLP syndrome (Magann, et al), 731
continuous non-seasonal epidemic of respiratory syncytial virus infection in the Southeast United States (Halstead & Jenkins), 433
the shadow rule: a simple method for sun protection (Downham), 619
SEIZURES
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
comorbidity of schizophreniform disorder and borderline personality disorder in an 18-year-old black woman (Houry, et al), 275
delirium tremens (Erwin, et al), 425
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838
SELECTION BIAS
anemia and red cell distribution width at the 12-month well-baby examination (Choi & Reid), 372
SELF ASSESSMENT
medical manners: medical students' perceptions of their own (Merrill, et al), 256
SELF CARE
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
SELF CONCEPT
medical manners: medical students' perceptions of their own (Merrill, et al), 256
SELF-INJURIOUS BEHAVIOR
breaking the silence of factitious disorder (ed.) (Feldman), 41
SENSITIVITY AND SPECIFICITY
anemia and red cell distribution width at the 12-month well-baby examination (Choi & Reid), 372
correlation of gallbladder ejection fraction with pathologic grade for chronic inflammation (Harolds, et al), 147
dynamic magnetic resonance imaging in evaluating suspicious breast lesions: correlation with pathologic findings (Snow, et al), 527
imaging-guided core biopsies in the breast (Soo), 994
prostate-specific antigen values and their clinical significance in renal transplant recipients (Ha, et al), 847
SEPSIS
Chromobacterium violaceum infection (Midani & Rathore), 464
invasive disease due to group A β-hemolytic streptococci: continued occurrence in children in North Carolina (Givner), 333
SEROEPIDEMIOLOGIC METHODS
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
SEROLOGIC TESTS
rubella serology in mentally retarded adults (Olsen, et al), 842
SEROTONIN
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
SEROTONIN RELEASE TEST
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
SEROTYPING
invasive disease due to group A β-hemolytic streptococci: continued occurrence in children in North Carolina (Givner), 333
SERRATIA INFECTIONS
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
SERTRALINE
challenges in obesity management (Poston, et al), 710
SERUM ALBUMIN
admission serum albumin level and length of hospitalization in elderly patients (Marinella & Markert), 851
SEVERITY OF ILLNESS INDEX
decrease in costs for management of lower airway disease in the pediatric intensive care unit (Irazuzta, et al), 655
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
use of hospital services, religious attendance, and religious affiliation (Koenig & Larson), 925
SEX BEHAVIOR
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
SEX CORD-STROMAL TUMOR
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
SEX FACTORS
characteristics of West Virginians having myocardial infarction (Bell, et al), 1042
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
SEX HORMONE-BINDING GLOBULIN
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
SEX HORMONES
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375
SEXUALLY TRANSMITTED DISEASES
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124

SHIGELLA INFECTIONS. see DYSENTERY, BACILLARY
SHOCK, SEPTIC
hypersensitivity reaction to azathioprine (Fields, et al), 471
SHORT RIB-POLYDACTYL SYNDROME
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
SIALADENITIS
meningococcal cellulitis and sialadenitis (Gelfand, et al), 287
SIBUTRAMINE
challenges in obesity management (Poston, et al), 710
SICK ROLE
breaking the silence of factitious disorder (ed.) (Feldman), 41
SIGMOID DISEASES
giant sigmoid diverticulum: a rare manifestation of diverticular disease (Kuganeswaran & Fisher), 952
SIGMOIDOSCOPY
patient participation in colon cancer screening programs (DiPalma, et al), 342
SIMVASTATIN
peripheral neuropathy and lipid-lowering therapy (Ziajka & Wehmeier), 667
simvastatin-induced lupus erythematosus (Khosla, et al), 873
SINCALIDE
correlation of gallbladder ejection fraction with pathologic grade for chronic inflammation (Harolds, et al), 147
SKELETAL DYSPLASIA. see OSTEOCHONDRODYSPLASIAS
SKILLED NURSING FACILITIES
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
SKIN DISEASES
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
SKIN DISEASES, FUNGAL. see DERMATOMYCOSES
SKIN DISEASES, VASCULAR
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
SKIN NEOPLASMS
giant skin cancers (letter) (Randle, et al), 603
giant skin cancers (letter, reply) (Thomas), 603
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
successful treatment of in-transit metastases from Merkel's cell carcinoma with isolated hyperthermic limb perfusion (Gupta, et al), 289
sunscreens and skin cancer (ed.) (Epstein), 601
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
SKIN TESTS
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
SKIN TRANSPLANTATION
fatal and near-fatal complications of liposuction (Barillo, et al), 487
hidradenitis suppurativa (Brown, et al), 1107
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
SLEEP APNEA SYNDROMES
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
obstructive sleep apnea during pregnancy resulting in pulmonary hypertension (Lewis, et al), 761
SMOKING
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
characteristics of West Virginians having myocardial infarction (Bell, et al), 1042
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
gambling behavior of adolescents in residential placement in Northwest Louisiana (Westphal, et al), 1038
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
risk factors for hip fracture among southern older women (Turner, et al), 533
sociodemographic characteristics and individual health behaviors (Shi), 933
SMOKING CESSATION
passive smoking exposure on submarines (letter) (Seufert), 43
SOCIAL DESIRABILITY
medical manners: medical students' perceptions of their own (Merrill, et al), 256
SOCIAL ENVIRONMENT
sociodemographic characteristics and individual health behaviors (Shi), 933
SOCIAL SECURITY
disability law: problems and proposals (Lande), 518
SOCIAL SUPPORT
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
SOCIOECONOMIC FACTORS
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
an interdisciplinary effort to help patients with limited prescription drug benefits afford their medication (Prutting, et al), 815
early postpartum discharge versus traditional length of stay: patient preferences (Reever, et al), 138
lifetime use of alternative therapy: a study of Florida residents (Burg, et al), 1126
sociodemographic characteristics and individual health behaviors (Shi), 933
SODIUM
low anion gap (Jurado, et al), 624
SODIUM FLUORIDE
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33
SOLID AND PAPILLARY EPITHELIAL NEOPLASMS. see NEOPLASMS, GLANDULAR AND EPITHELIAL
SOMATOFORM DISORDERS
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
SORBITOL
pathophysiology and treatment of painful diabetic neuropathy of the lower extremity (Wunderlich, et al), 894

SOUTH CAROLINA
The Mills House, South Carolina State Hospital, Columbia, 1177
sociodemographic characteristics and individual health behaviors (Shi), 933
Waring Historical Library, Charleston, South Carolina, 499
SOUTHERN MEDICAL CME CREDIT ARTICLES. see EDUCATION, MEDICAL, CONTINUING
SPASM
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
SPECIALTIES, MEDICAL
projecting physician supply at a state level: physicians in Louisiana in 2001 and 2006 (Hilton, et al), 914
SPIDERS
the red eye revisited: ophthalmia nodosa due to tarantula hairs (Belyea, et al), 565
SPINAL CORD COMPRESSION
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
SPINAL FRACTURES
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
SPINAL FUSION
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
SPINAL NEOPLASMS
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
SPINAL NERVE ROOTS
leg weakness in neurosarcoidosis (Bassam, et al), 870
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
SPINAL OSTEOPHYTOSIS
morphologic study of lumbar vertebral osteophytes (Heggeness & Doherty), 187
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
SPINAL STENOSIS
'surgiceloma' manifested as cauda equina syndrome (Banerjee & Goldschmidt), 481
SPIROMETRY
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
reactive airways dysfunction syndrome after exposure to dinitrogen tetroxide (Conrad, et al), 338
SPLENECTOMY
solid and papillary epithelial neoplasm of the pancreas, diagnosis by cytology (Crawford), 973
spontaneous splenic rupture due to isolated splenic peliosis (Celebrezze, et al), 763
thoracic splenosis (Buchino & Buchino), 1054
SPLENIC ARTERY
splenic artery tortuosity simulating a splenic artery aneurysm (Majeski), 949
SPLENIC DISEASES
spontaneous splenic rupture due to isolated splenic peliosis (Celebrezze, et al), 763
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
SPLENIC NEOPLASMS
CD5 negative diffuse mantle cell lymphoma with splenomegaly and bone marrow involvement (Bell, et al), 584
SPLENIC RUPTURE
spontaneous splenic rupture due to isolated splenic peliosis (Celebrezze, et al), 763
SPLENOMEGALY
CD5 negative diffuse mantle cell lymphoma with splenomegaly and bone marrow involvement (Bell, et al), 584
visceral larva migrans and the hypereosinophilia syndrome (Arango), 882
SPLENOSIS
thoracic splenosis (Buchino & Buchino), 1054
SPONDYLITIS, ANKYLOSING
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
SPONDYLODISKITIS. see DISCITIS
SPORTS
creatine supplementation: safe as steak? (ed.) (Culpepper), 890
SPORTS MEDICINE
legal and ethical dilemmas in drug management for team physicians and athletic trainers (St. Mary), 421
STAINLESS STEEL
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
STANOZOLOL
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
STAPHYLOCOCCAL INFECTIONS
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
prevalence of methicillin-resistant *Staphylococcus aureus* in a dermatology outpatient population (Price, et al), 369
STEREOTAXIC TECHNIQUES
imaging-guided core biopsies in the breast (Soo), 994
STERILIZATION
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
STEROID 21-MONOOXYGENASE
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
STOMACH NEOPLASMS
meningeal carcinomatosis and syndrome of inappropriate antidiuretic hormone in a patient with metastatic carcinoma of the stomach (Mouallem, et al), 1076
STORZ MODULITH SL 20 LITHOTRIPTOR. see LITHOTRIPSY
STREPTOCOCCAL INFECTIONS
interventricular septal endocarditis (letter) (Vaghjimal, et al), 43
invasive disease due to group A β-hemolytic streptococci: continued occurrence in children in North Carolina (Givner), 333
perforated cecal adenocarcinoma manifested as thigh abscess (letter) (Marinella), 411

Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
streptococcal bacteremia and colorectal cancer (letter) (Marinella), 697
Streptococcus sanguis bacteremia and colorectal cancer (Macaluso, et al), 206
STREPTOKINASE
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
STRESS DISORDERS, POST-TRAUMATIC
integrated diagnostic and treatment approach for the medical patient who has had psychologic trauma (Brende, et al), 318
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
STRESS, PSYCHOLOGICAL
evidence of acute stress disorder after diagnosis of cancer (McGarvey, et al), 864
STRIDOR. see RESPIRATORY INSUFFICIENCY
STROKE. see CEREBROVASCULAR DISORDERS
STRONGYLOIDIASIS
intestinal strongyloidiasis manifesting as eosinophilic pleural effusion (Goyal), 768
STUDENTS
alcohol on campus: alcohol-related emergencies in undergraduate college students (Wright, et al), 909
STUDENTS, MEDICAL
impact of minority physicians on health care (Thurmond & Kirch), 1009
medical manners: medical students' perceptions of their own (Merrill, et al), 256
STYLOID PROCESS
Eagle's syndrome (letter) (Shroeder), 43
SUBCLAVIAN VEIN
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
SUBMARINES
passive smoking exposure on submarines (letter) (Seufert), 43
SUBSTANCE ABUSE
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
alcohol on campus: alcohol-related emergencies in undergraduate college students (Wright, et al), 909
cocaine-induced scleroderma and scleroderma renal crisis (Attoussi, et al), 961
disability law: problems and proposals (Lande), 518
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838
gambling behavior of adolescents in residential placement in Northwest Louisiana (Westphal, et al), 1038
itching to understand the phenomenon of craving in addiction (letter, reply) (Velasco & Lippmann), 217
a review of carisoprodol deaths in Jefferson County, Alabama (Davis & Alexander), 726
the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345
traditional and evidence-based acupuncture: history, mechanisms, and present status (Ulett, et al), 1115
SUBSTANCE ABUSE, INTRAVENOUS
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
nodular amyloidosis of the lung from intravenous drug abuse: an uncommon cause of multiple pulmonary nodules (Shah, et al), 402
SUBSTANCE DEPENDENCE
survey research vs clinical trials in evaluating the medical utility of marijuana (letter, reply) (Schwartz), 990
SUBSTANCE-RELATED DISORDERS
alcoholism among indigent inpatients: identification and intervention by internal medicine residents (Cerise, et al), 27
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
itching to understand the phenomenon of craving in addiction (letter) (Fisher & Adinoff), 217
SUBSTANCE USE DISORDERS
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
SUBSTANCE WITHDRAWAL SYNDROME
itching to understand the phenomenon of craving in addiction (letter) (Fisher & Adinoff), 217
itching to understand the phenomenon of craving in addiction (letter, reply) (Velasco & Lippmann), 217
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
SUCCINYLCHOLINE
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
SUDDEN INFANT DEATH
child fatality review in Georgia: a young system demonstrates its potential for identifying preventable childhood deaths (Luallen, et al), 414
SUICIDE
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
SUICIDE, ASSISTED
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
SULFONYLUREA
insulinoma masquerading as factitious hypoglycemia (Baddley, et al), 1066
SUMATRIPTAN
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
SUNBURN
the shadow rule: a simple method for sun protection (Downham), 619
sunscreens and skin cancer (ed.) (Epstein), 601
SUNLIGHT
the shadow rule: a simple method for sun protection (Downham), 619
SUNSCREENING AGENTS
sunscreens and skin cancer (ed.) (Epstein), 601
SUPERIOR VENA CAVA SYNDROME
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
SUPRACHIASMATIC NUCLEUS
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
SURGERY
impact of managed care on university-based surgical training (ed.) (Harrison), 308

SURGERY, ELECTIVE
chronic medications in the perioperative period (Kroenke, et al), 358
SURGERY, GASTROINTESTINAL
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
SURGICAL FLAPS
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
SURGICAL MESH
efficacy of a novel synthetic material to close exposed fascial defects (Aliabadi-Wahle, et al), 733
migration of wire mesh into the intestinal lumen causing an intestinal obstruction 30 years after repair of a ventral hernia (Majeski), 496
SURGICAL WOUND DEHISCENCE
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
SURGICAL WOUND INFECTION
fatal and near-fatal complications of liposuction (Barillo, et al), 487
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
perioperative antibiotics in nonemergency bowel surgery: a quality improvement project (Schell, et al), 900
SURGICEL. see CELLULOSE, OXIDIZED
SURVIVAL RATE
benefits of screening mammography: a review for the primary care physician (Reichle), 510
HIV-1-associated Kaposi's sarcoma in a predominantly black population at an inner city hospital (Dawkins, et al), 546
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161
SUTURES
fire in the operating room during tracheostomy (Thompson, et al), 243
SWEAT GLAND DISEASES
hidradenitis suppurativa (Brown, et al), 1107
SYMPATHOMIMETICS
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
SYNCOPE
over-the-counter sympathomimetics: a risk factor for cardiac arrhythmias in pregnancy (Onuigbo & Alikhan), 1153
SYNCOPE, VASOVAGAL
acupuncture: a review of its history, theories, and indications (Ceniceros & Brown), 1121
SYNDROME X
insulin resistance syndrome (letter) (Cheng), 697
insulin resistance syndrome (letter, reply) (Opara), 697

T

T WAVE ALTERNANS
T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755
TAMOXIFEN
endometrial stromal sarcoma with sex cord-like differentiation associated with tamoxifen therapy (Pang), 592
TARANTULAS. see SPIDERS
TATTOOS
review of cutaneous lasers and their applications (Alster & Bettencourt), 806
TECHNOLOGY, MEDICAL
impact of managed care on university-based surgical training (ed.) (Harrison), 308
TEMPERATURE
absence of seasonal variation on the frequency of HELLP syndrome (Magann, et al), 731
TEMPORAL ARTERITIS
the erythrocyte sedimentation rate: old and new clinical applications (Saadeh), 220
TEMPORAL BONE
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
TERMINAL CARE
euthanasia and doctor-assisted suicide: responses by oncologists and non-oncologists (Abramson, et al), 637
health care at the end of life: should medically assisted death be an alternative (ed.) (Sirmon), 694
some insouciant reflections on approaching age 75 (ed.) (Moser), 692
TESTOSTERONE
clenbuterol and anabolic steroids: a previously unreported cause of myocardial infarction with normal coronary arteriograms (Goldstein, et al), 780
TETANUS
anesthetic implications of tetanus (Tobias), 384
TETRACYCLINE
prevalence of methicillin-resistant *Staphylococcus aureus* in a dermatology outpatient population (Price, et al), 369
TEXAS
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
risk factors for above-knee amputations in diabetes mellitus (van Houtum, et al), 643
Scott & White Archives and Log Cabin Museum, Temple, Texas, 595
THALIDOMIDE
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
THANATOPHORIC DYSPLASIA
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
THERMOMETERS
unreliability of the infrared tympanic thermometer in clinical practice: a comparative study with oral mercury and oral electronic thermometers (Modell, et al), 649
THIABENDAZOLE
intestinal strongyloidiasis manifesting as eosinophilic pleural effusion (Goyal), 768
visceral larva migrans and the hypereosinophilia syndrome (Arango), 882
THIAMINE
delirium tremens (Erwin, et al), 425
THIGH
perforated cecal adenocarcinoma manifested as thigh abscess (letter) (Marinella), 411

perforated cecal adenocarcinoma manifested as thigh abscess (letter, reply) (Scoggins), 411
THIRD NATIONAL HEALTH AND NUTRITIONAL EXAMINATION SURVEY
risk factors for hip fracture among southern older women (Turner, et al), 533
THORACENTESIS
tuberculosis of the pleura (Morehead), 630
THORACIC DISEASES
thoracic splenosis (Buchino & Buchino), 1054
THORACIC INJURIES
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
thoracic splenosis (Buchino & Buchino), 1054
THORACIC RADIOGRAPHY
electrocardiographic changes with right-sided pneumothorax (Alikhan & Biddison), 677
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
THORACIC VERTEBRAE
pregnancy-associated osteoporosis: preliminary densitometric evidence of extremely rapid recovery of bone mineral density (Liel, et al), 33
small cell cancer of the cervix presenting as compression of the spinal cord and cauda equina (Ampil, et al), 293
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
THORACOSCOPY
recurrent catamenial hemopneumothorax (Bhatia, et al), 398
THROMBECTOMY
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
THROMBOCYTOPENIA
absence of seasonal variation on the frequency of HELLP syndrome (Magann, et al), 731
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156
severe hemorrhage complicating the Klippel-Trènaunay-Weber syndrome (Aronoff & Roshon), 1073
THROMBOELASTOGRAPHY
effectiveness of conjugated estrogen in orthotopic liver transplantation (Frenette, et al), 365
THROMBOEMBOLISM
low–molecular-weight heparins in clinical practice (Hunt), 2
transudative malignant pleural effusions: prevalence and mechanisms (Ashchi, et al), 23
unilateral absent pulmonary perfusion due to bronchogenic carcinoma (Gandhi & Shapiro), 392
THROMBOLYTIC THERAPY
low–molecular-weight heparins in clinical practice (Hunt), 2
THROMBOPHLEBITIS
chronic medications in the perioperative period (Kroenke, et al), 358
low–molecular-weight heparins in clinical practice (Hunt), 2
pulmonary embolism and malpractice claims (Fink, et al), 1149
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381
THROMBOSIS
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
endogenous endophthalmitis due to *Serratia marcescens* (Marinella & Warwar), 388
low–molecular-weight heparins in clinical practice (Hunt), 2
serum antibody titers in a systemic lytic therapy with streptokinase (Hohage, et al), 1019
THYMOMA
long-term medical treatment of ectopic ACTH syndrome (Comi & Gordon), 1014
thymoma associated with syndrome of inappropriate antidiuretic hormone secretion and myasthenia gravis (Donadio, et al), 278
THYMUS NEOPLASMS
thymoma associated with syndrome of inappropriate antidiuretic hormone secretion and myasthenia gravis (Donadio, et al), 278
THYROID FUNCTION TESTS
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
THYROXINE
medication and low serum thyroxine values in nursing home residents (Amberson & Drinka), 437
TINEA
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349
TINZAPARIN
low–molecular-weight heparins in clinical practice (Hunt), 2
TISSUE DONORS
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
TMS-1. see SURGICAL MESH
TOBACCO SMOKE POLLUTION
passive smoking exposure on submarines (letter) (Seufert), 43
TOCOLYTIC AGENTS
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
TOLBUTAMIDE
insulinoma masquerading as factitious hypoglycemia (Baddley, et al), 1066
TOMOGRAPHY, X-RAY COMPUTED
abdominal apoplexy (Carmeci, et al), 273
adrenal incidentalomas: adrenal hemangioma in a patient with congenital adrenal hyperplasia (Pignatelli, et al), 775
adrenoleukodystrophy: unusual clinical and radiographic manifestation (Williams, et al), 770
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
blastomycosis as an etiology of acute lung injury (Thompson, et al), 861
Brunner's gland hamartoma causing gastric outlet obstructive symptoms (Lingawi & Filipenko), 964
calcification in untreated non-Hodgkin's mediastinal lymphoma (Apter, et al), 212

Chromobacterium violaceum infection (Midani & Rathore), 464
diagnostic problems in multiple sclerosis: overreliance on neuroimaging (Riaz & Nowack), 270
geriatric acute perforated appendicitis: atypical symptoms lead to a difficult diagnosis (Majeski & Durst), 669
giant sigmoid diverticulum: a rare manifestation of diverticular disease (Kuganeswaran & Fisher), 952
hemoptysis as the sole presentation of *Pasteurella multocida* infection (Sazon, et al), 484
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
incidental discovery of emphysematous cystitis (Wortmann & Fleckenstein), 785
leg weakness in neurosarcoidosis (Bassam, et al), 870
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
mediastinal lipomatosis (Nguyén, et al), 1169
nodular amyloidosis of the lung from intravenous drug abuse: an uncommon cause of multiple pulmonary nodules (Shah, et al), 402
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
pulmonary embolus masquerading as pneumonia in a patient with Hodgkin's disease and nephrotic syndrome (Ellis, et al), 283
pulmonary gangrene: radiologic and pathologic correlation (Curry, et al), 957
renal inflammatory pseudotumor (Bell, et al), 1050
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
serous psammocarcinoma of the ovary (Powell, et al), 477
simvastatin-induced lupus erythematosus (Khosla, et al), 873
solid and papillary epithelial neoplasm of the pancreas, diagnosis by cytology (Crawford), 973
solitary choroid plexus metastasis from a renal cell carcinoma (Raila, et al), 1159
spontaneous splenic rupture due to isolated splenic peliosis (Celebrezze, et al), 763
symptomatic pulmonary hyalinizing granuloma (Ramirez, et al), 867
thoracic splenosis (Buchino & Buchino), 1054
unilateral absent pulmonary perfusion due to bronchogenic carcinoma (Gandhi & Shapiro), 392

TONGUE DISEASES
simultaneous mucosal and small bowel angioedema due to captopril (Smoger & Sayed), 1060

TORADOL. see KETOROLAC

TORSADES DE POINTES
T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755

TORSION
splenic artery tortuosity simulating a splenic artery aneurysm (Majeski), 949

TRACHEITIS
intestinal strongyloidiasis manifesting as eosinophilic pleural effusion (Goyal), 768

TRACHEOSTOMY
fire in the operating room during tracheostomy (Thompson, et al), 243
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046
survival rates among children with severe neurologic disabilities (Plioplys, et al), 161

TRACTION SPUR. see SPINAL OSTEOPHYTOSIS

TRADITIONAL CHINESE MEDICINE. see MEDICINE, ORIENTAL, TRADITIONAL

TRANSCUTANEOUS ELECTRIC NERVE STIMULATION
pathophysiology and treatment of painful diabetic neuropathy of the lower extremity (Wunderlich, et al), 894

TRAVEL
The Academy of Medicine, Atlanta, Georgia, 1083
Alabama Museum of the Health Sciences and Reynolds Historical Library, Birmingham, Alabama, 787
Apothecary Shop and Doctor's Office, Old Beaufort-by-the-Sea, North Carolina, 884
The Crawford W. Long Museum, Jefferson, Georgia, 299
Eichold-Heustis Medical Museum of the South, Mobile, Alabama, 686
The Greenbrier Clinic, White Sulphur Springs, West Virginia, 983
McDowell House, Danville, Kentucky, 405
The Mills House, South Carolina State Hospital, Columbia, 1177
Scott & White Archives and Log Cabin Museum, Temple, Texas, 595
Waring Historical Library, Charleston, South Carolina, 499

TREATMENT FAILURE
giant skin cancers (letter) (Randle, et al), 603
giant skin cancers (letter, reply) (Thomas), 603

TREATMENT OUTCOME
abdominal compartment syndrome (Watson & Howdieshell), 326
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
challenges in obesity management (Poston, et al), 710
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
does the proven benefit of mammography extend to breast cancer patients over age 70? (Hwang & Cody), 522
epidemiology of hospitalization for near-drowning (Joseph & King), 253
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
maternal mortality associated with adult respiratory distress syndrome (letter) (Alkhuja), 1183
maternal mortality associated with adult respiratory distress syndrome (letter, reply) (Perry, et al), 1183
neonatal pharyngeal pseudodiverticulum mimicking esophageal atresia (Cason, et al), 1163
new approach to administrative medical decision-making: evidence-based medicine using high dose chemotherapy/bone marrow transplant for breast cancer (Lucey & Westphal), 196
patient-controlled anesthesia for colonoscopy using propofol: results of a pilot study (Heiman, et al), 560
pharyngeal flap necrosis as a cause of airway obstruction during induction of anesthesia (Williams, et al), 1046

prevalence of hot flushes during and after neoadjuvant hormonal therapy for localized prostate cancer (Schow, et al), 855
profile of pediatric bicycle injuries (Puranik, et al), 1033
remember to consider dermatophyte infection when dealing with recalcitrant dermatoses (Abraham, et al), 349
umbilical cord blood transplantation: providing a donor for everyone needing a bone marrow transplant? (Kline & Bertolone), 821
TREMOR
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
TRIAGE
preparedness of practicing pediatricians in Louisiana to manage emergencies (Shetty, et al), 745
TRICHOMONAS VAGINITIS
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
TRIGEMINAL NEURALGIA
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
gabapentin for treatment of pain and tremor: a large case series (Merren), 739
TRIMETHOPRIM-SULFAMETHOXAZOLE COMBINATION
Chromobacterium violaceum infection (Midani & Rathore), 464
HIV seronegativity in an infant with the acquired immunodeficiency syndrome (Quiñonez, et al), 879
pertussis infection in adults (Wright), 702
T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755
TUBE FEEDING. see ENTERAL NUTRITION
TUBERCULIN TEST
the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345
TUBERCULOSIS
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981
TUBERCULOSIS, PLEURAL
tuberculosis of the pleura (Morehead), 630
TUBERCULOSIS, PULMONARY
the risk of purified protein derivative positivity in homeless men with psychotic symptoms (Sakai, et al), 345
TUMOR LYSIS SYNDROME
acute tumor lysis syndrome after transcatheter chemoembolization of hepatocellular carcinoma (Burney), 466
TUMOR MARKERS, BIOLOGICAL
prolonged prostate-specific antigen response in flutamide withdrawal syndrome despite disease progression (Longmore, et al), 573
TUMOR NECROSIS FACTOR
pharmacokinetics of fentanyl during hyperthermic, isolated lung perfusion (Williams, et al), 261
TWINS
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
TYMPANIC MEMBRANE
unreliability of the infrared tympanic thermometer in clinical practice: a comparative study with oral mercury and oral electronic thermometers (Modell, et al), 649

U

ULCER
colonic strictures induced by nonsteroidal anti-inflammatory drugs (Ribeiro, et al), 568
diagnosis and management of esophageal disease in the acquired immunodeficiency syndrome (Wilcox & Mönkemüller), 1002
ULNAR NERVE COMPRESSION SYNDROME
ulnar nerve entrapment at the wrist: cases from a hand surgery practice (Netscher & Cohen), 451
ulnar neuropathy associated with subdermal contraceptive implant (Marin & McMillan), 875
ULTRASONOGRAPHY
a comparative study of ketorolac (toradol) and magnesium sulfate for arrest of preterm labor (Schorr, et al), 1028
hepatic amebiasis among patients in a public teaching hospital (Shandera, et al), 829
imaging-guided core biopsies in the breast (Soo), 994
juvenile dermatomyositis and polymyositis: a follow-up study of long-term sequelae (Collison, et al), 17
localized fibrous nodular mesothelioma of the pelvis (Schutz & Fink), 280
placental implantation at 18 weeks and migration throughout pregnancy (Magann, et al), 1025
pulmonary embolism and malpractice claims (Fink, et al), 1149
routine diagnostic laparoscopy is unnecessary in staging tumors of the pancreatic head (Pelton), 182
Streptococcus bovis bacteremia: unusual complications (Genta, et al), 1167
ULTRASONOGRAPHY, ENDOSCOPIC. see ENDOSONOGRAPHY
ULTRASONOGRAPHY, PRENATAL
effect of amniotic fluid volume on neonatal outcome in diamniotic twin pregnancies (Magann, et al), 942
predictive value of fetal ultrasonography in the diagnosis of a lethal skeletal dysplasia (Hersh, et al), 1137
ULTRAVIOLET RAYS
the shadow rule: a simple method for sun protection (Downham), 619
sunscreens and skin cancer (ed.) (Epstein), 601
surgical management of giant nonmelanoma skin neoplasia (Thomas, et al), 190
UMBILICAL CORD
cesarean delivery for the second twin in the vertex-vertex presentation: operative indications and predictability (Sullivan, et al), 155
UMBILICAL CORD BLOOD. see FETAL BLOOD
UNIVERSITIES
alcohol on campus: alcohol-related emergencies in undergraduate college students (Wright, et al), 909
UNIVERSITY OF ALABAMA AT BIRMINGHAM
Alabama Museum of the Health Sciences and Reynolds Historical Library, Birmingham, Alabama, 787

UNIVERSITY OF SOUTH ALABAMA – SPRINGHILL AVENUE CAMPUS
Eichold-Heustis Medical Museum of the South, Mobile, Alabama, 686
UNNECESSARY PROCEDURES
prostate cancer: to screen or not to screen? (ed.) (Hamdy, et al), 305
URETERAL CALCULI
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
URETHRITIS
schistosomiasis of the urinary bladder in an African immigrant to North Carolina (Ganem & Marroum), 580
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
URINALYSIS
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
utility of dipstick urinalysis as a guide to management of adults with suspected infection or hematuria (Jou & Powers), 266
URINARY CALCULI
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
URINARY TRACT INFECTIONS
clinical experience with the Storz Modulith SL 20 Lithotriptor (Finkbeiner, et al), 445
incidental discovery of emphysematous cystitis (Wortmann & Fleckenstein), 785
utility of dipstick urinalysis as a guide to management of adults with suspected infection or hematuria (Jou & Powers), 266

V

VACCINATION
pertussis infection in adults (Wright), 702
VAGINAL SMEARS
correlation between endometrial cells on Papanicolaou smear and endometrial carcinoma (Kerpsack, et al), 749
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
VAGINOSIS, BACTERIAL
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
VALACYCLOVIR
sexually transmitted diseases in adolescents: what's new? (Krowchuk), 124
VALPROIC ACID
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
experience with clozapine in a community mental health care setting (Connelly & Fullick), 838
VALTREX. see VALACYCLOVIR
VANCOMYCIN
interventricular septal endocarditis (letter) (Vaghjimal, et al), 43
low postoperative infection rates with instrumented lumbar fusion (Hodges, et al), 1132
perforated cecal adenocarcinoma manifested as thigh abscess (letter, reply) (Scoggins), 411
prevalence of methicillin-resistant *Staphylococcus aureus* in a dermatology outpatient population (Price, et al), 369
VARICELLA. see CHICKENPOX
VASCULAR NEOPLASMS
cavernous sinus syndrome due to metastatic renal cell carcinoma (Spell, et al), 576
intravascular malignant lymphomatosis with neurologic presentation: factors facilitating antemortem diagnosis (Devlin, et al), 672
VASCULAR RESISTANCE
abdominal compartment syndrome (Watson & Howdieshell), 326
VASCULITIS
laryngeal manifestations of vasculitic disease (Astor, et al), 588
middle cerebral artery vasculitis and stroke after varicella in a young adult (Hosseinipour, et al), 1070
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381
VASOPRESSINS
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
VENOUS PRESSURE
abdominal compartment syndrome (Watson & Howdieshell), 326
VENTILATION-PERFUSION RATIO
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
unilateral absent pulmonary perfusion due to bronchogenic carcinoma (Gandhi & Shapiro), 392
VERAPAMIL
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
VERO CELLS
Escherichia coli and the hemolytic-uremic syndrome (Begue, et al), 798
VERTEX-VERTEX PRESENTATION. see BREECH PRESENTATION
VERTIGO
cluster headache: Horton's cephalalgia revisited (Mendizabal, et al), 606
VIDEO DISPLAY TERMINALS. see COMPUTER TERMINALS
VIOLENCE
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
child fatality review in Georgia: a young system demonstrates its potential for identifying preventable childhood deaths (Luallen, et al), 414
VITAL CAPACITY
precision and accuracy of self-measured peak expiratory flow rates in chronic obstructive pulmonary disease (Murata, et al), 919
VITAL STATISTICS
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
VITAMIN D DEFICIENCY
diagnosis and treatment of common metabolic spinal disorders in the geriatric population (Eck & Humphreys), 1090
VITAMINS
delirium tremens (Erwin, et al), 425
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375
VOCAL CORD PARALYSIS
bilateral vocal cord paralysis after meningitis due to *Streptococcus pneumoniae* (Clack, et al), 660
VOMITING
prompt differentiation of Addison's disease from

anorexia nervosa during weight loss and vomiting (Adams, et al), 208
VULVA
traumatic vulvar hematomas: conservative versus surgical management (Propst & Thorp), 144

W

WALDENSTRÖM'S MACROGLOBULINEMIA
the lung and Waldenström's macroglobulinemia (Fadil & Taylor), 681
WARFARIN
acute femoral artery thrombosis associated with functional protein C deficiency as the presenting manifestation of acute monocytic leukemia (Malnick, et al), 663
cardiology for the primary care provider: heparin-induced thrombocytopenia (Benton & Gersh), 133
chronic medications in the perioperative period (Kroenke, et al), 358
low–molecular-weight heparins in clinical practice (Hunt), 2
WARING HISTORICAL LIBRARY
Waring Historical Library, Charleston, South Carolina, 499
WARING, JOSEPH IOOR
Waring Historical Library, Charleston, South Carolina, 499
WASTING SYNDROME
atypical *Pneumocystis carinii* infection in AIDS: massive cervical lymphadenitis and fever of unknown origin (Kallen & Wallace), 759
WATER DEPRIVATION
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
WATER-ELECTROLYTE IMBALANCE
acute tumor lysis syndrome after transcatheter chemoembolization of hepatocellular carcinoma (Burney), 466
hypokalemic nephropathy and nephrogenic diabetes insipidus due to excessive consumption of a soft drink (Buridi, et al), 1079
T wave alternans associated with HIV cardiomyopathy, erythromycin therapy, and electrolyte disturbances (Kent, et al), 755
WATERHOUSE-FRIDERICHSEN SYNDROME
invasive disease due to group A β-hemolytic streptococci: continued occurrence in children in North Carolina (Givner), 333
WEATHER
absence of seasonal variation on the frequency of HELLP syndrome (Magann, et al), 731
WEGENER'S GRANULOMATOSIS
disseminated histoplasmosis and Wegener's granulomatosis (Manepalli & Rush), 1156
Wegener's granulomatosis manifested as a perirectal abscess (Veldkamp & Milstone), 381
WEIGHT LOSS
challenges in obesity management (Poston, et al), 710
disorders associated with clinically severe obesity: significant improvement after surgical weight reduction (Melissas, et al), 1143
prompt differentiation of Addison's disease from anorexia nervosa during weight loss and vomiting (Adams, et al), 208
WEST VIRGINIA
characteristics of West Virginians having myocardial infarction (Bell, et al), 1042
The Greenbrier Clinic, White Sulphur Springs, West Virginia, 983
WHITES
assessing the burden of cancer in Texas using vital statistics data (Cooper, et al), 173
predilection for frailty remedial strategies among black and white seniors (Miller, et al), 375
WHOOPING COUGH
pertussis infection in adults (Wright), 702
WOMEN'S HEALTH
risk factors for hip fracture among southern older women (Turner, et al), 533
WORK SCHEDULE TOLERANCE
emergency medicine practice systems in Louisiana (Waldrop, et al), 354
WORKPLACE
disability law: problems and proposals (Lande), 518
emergency medicine practice systems in Louisiana (Waldrop, et al), 354
video display terminals: risk of electromagnetic radiation (Kirsner & Federman), 12
WOUND HEALING
abdominal compartment syndrome (Watson & Howdieshell), 326
hidradenitis suppurativa (Brown, et al), 1107
WOUNDS AND INJURIES
abdominal compartment syndrome (Watson & Howdieshell), 326
are newspapers a viable source for intentional injury surveillance data? (Fine, et al), 234
child fatality review in Georgia: a young system demonstrates its potential for identifying preventable childhood deaths (Luallen, et al), 414
profile of pediatric bicycle injuries (Puranik, et al), 1033
WOUNDS, GUNSHOT
thoracic splenosis (Buchino & Buchino), 1054
WOUNDS, NONPENETRATING
pulmonary contusion in children: diagnosis and management (Allen & Cox), 1099
WRIST
ulnar nerve entrapment at the wrist: cases from a hand surgery practice (Netscher & Cohen), 451

Z

ZIDOVUDINE
unilateral adrenal mass due to *Mycobacterium kansasii* in an AIDS patient (Cook & Christie), 981

AUTHOR INDEX

In this index are the names of the authors of articles that have appeared in the *Journal*. The * preceding the page reference indicates that the article appeared in the Editorial section.

January	**1-122**	**April**	**317-412**	**July**	**605-700**	**October**	**893-992**
February	**123-218**	**May**	**413-508**	**August**	**701-796**	**November**	**993-1088**
March	**219-316**	**June**	**509-604**	**September**	**797-892**	**December**	**1089-1184**
